Poetry.

To my Husband While Absent.

When the shades of night are falling,

Then I think of thee, my darling, Think how fares it with thee now.

And I pray that God will bless thee, Keep thee safe beneath His care ;

If thy spirit sometimes fail thee, In the toiling and the strife;

In the troubled sea of life.

Is thy loving, faithful wife.

That will come to all who struggle

May this thought sustain and cheer thcc,

That the one whose heart goes with thee
