Perry Davis' Vegetable Pain Killer.

THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS!

At this period there are but few of the human race unacquainted with the merits of the Pain Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands alone, unrivalled by all the great catalogue of Family Medicines, and its sale is universal and immense. The demand for it from India and other foreign countries is equal to the demand at home, and it has become known in these far off places by its merits.

IMPORTANT.

THE Proprietors of the United Provincial Commercial College have much pleasure in announcing to the Business Community, and friends of Education and progress in general, that they have extended operations by opening in the City of Halifax under auspicious circumstances. This is of importance, for it gives our Students a much wider field for their enterprise, as our Diplomas will be appreciated not only in one City or Province, but in Provinces, and throughout the "Dominion of Canada."

Young man, are you nobly and honorably trying to better your condition? Remember, "Knowledge is Power;" men generally get that position of honor, emolument and dignity for which they prepare themselves. Can you point out any calling or profession, where in so short a time, for such a trifling sum, you may obtain such a ready passport of success? A boundless field of business enterprise lies before you, a vast continent of inexhaustible resources. The world is astir about you, progress is the motto of the age; let no man win your prize; step forward boldly, have self-reliance, with an honest intent and indomitable perseverance, and success is yours.

☞ Life Scholarships good for either College, $35; Books, &c., $10; Circulars with every information, free on application.
