HUMOR DOCTOR.

OF HUMORS,

PARTICULARLY

Erysipelas, Nettle Rash, Salt Rheum,

Scrofula, Carbuncles, Boils and Piles.

It is very easy to say of this, or any other Medicine, It is the very best Remedy known." It is not always so easy to prove it. It is, however, exceedingly grati-lying to the proprietor of this Medicine, that, while he declares to the public that this is a most wonderful and effective Specific for Humors, as stated above, he has abundant proof at hand to sustain his statement. For sixteen years the HUMOR DOCTOR has been manufactured and sold, and every year has increased the value of its reputation, and the amount of its sales. In New Hampshire, where it was originated, no remedy for Humors is so highly prized. An eminent physician (now an army surgeon,) when practising in N. H. pur-chased between fifty and sixty gallons of it, during some seven or eight years, and used it in his practice. He has since then ordered it for the Hospital where he He has since then ordered it for the Hospital where he was stationed. Other physicians have purchased it, was stationed. Full directions for using accomthe proprietor lived in New Hampsihre, at Goffstown Centre, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and won derful cures which it effected. Though manufactured in large quantities, the supply was frequently exhaust ed, and purchasers had to wait for more to be made. It that region, some very severe cases of erysipelas were treated with it,—and they were cured. Erysipelas sores or Carbuncles, those ugly painful ulcers, were entirely removed, wherever this medicine was faithfully used

When he pulled off his socks the scabs came with them and the raw, bleeding feet, were frightful to behold Suffice it to say, that less than one dozen bottles of the Humor Doctor (and in a few weeks) healed up those feet and ankles, so that they were smooth and apparent ly sound. The man wore boots without inconvenience Numerous cases of pimples in the face have been treated with this Medicine, to the entire eradication of them known and approved.

For the sake of showing what is thought of it, a few
