For Children Teething. SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to your-Relief and Health to your Infants. We have gut up and sold this article for over thirt rears, and can say, in condence and truth , what we have never been able to say of any other medicine-NEVER HAS IT FAILED IN SINGLE INSTANCE to EFFECT a CURN when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after thirty year's experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain

and exhaustion, relief will be found in fifteen or twen ty minutes after the syrup is administered. This valuable preparation is the prescription of on of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never failing success in THOUSANDS OF CASES. It not only relieves the shild from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will al-

and overcome convulsions, which, if not speedily romedied, end in death. We believe it the best and surest remedy in the world, in all cases of DIS-ENTERY AND DIARRIGEA IN CHIL-DREN, whether it arises from teething, or from any other cause. We would say to every mother who has do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be SURE-yes, ABSO-LUTELY SURE-to follow the use of this medicine, if timely used.
