REPARATOR CAPILLI.

Throw away your false frizzes, your switches, you Destructive of comfort, and not worth a fig: Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair. REPARATOR CAPILLE.

For restoring hair upon bald heads (from whatevo cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that nothing will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) ean bear witness. But many will say, how are we to distinguish the genuine from the spurious? It cortainly is difficult, as nine-tenths of the different Preparations advertised for the hair and heard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given, Address, W.
