IMPORTANT.

THE Proprietors of the United Provincial Commercial College have much pleasure in announcing to the Business Community, and friends of Education and progress in general, that they have extended operations by opening in the City of Halifax under auspicious circumstances. This is of importance, for it gives our Students a much wider field for their enterprise, as our Diplomas will be appreciated not only in one City or Province, but in Provinces, and throughout the "Dominion of Canada."

Young man, are you nobly and honorably trying to better your condition? Remember, "Knowledge is Power;" men generally get that position of honor, emolument and dignity for which they prepare themselves. Can you point out any calling or profession, where in so short a time, for such a trifling sum, you may obtain such a ready passport of success? A boundless field of business enterprise lies before you, a vast continent of inexhaustible resources. The world is astir about you, progress is the motto of the age; let no man win your prize; step forward boldly, have self-reliance, with an honest intent and indomitable perseverance, and success is yours.

☞ Life Scholarships good for either College, $35; Books, &c., $10; Circulars with every information, free on application.
