AYER'S SARSAPARILLA TS a concentrated extract of the choice I root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases /Sarsaparilla is reputed to cure Such a monstration on the 11th. People say they will show remedy is surely wanted by those who popular feeling is undisguised. Placards are strewn on suffer from Strumeus complaints, and the streets saying "men without votes are serts." Even personal regard for the Queen is eclipsed by the reform that one which will accomplish their cure must prove, as this has proved, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it, has been proven by experiment on many of the worst cases to be found in the fol-
