PATENT SUN BURNERS.

For Safety, Economy, and Brilliancy of Flame, is unsurpassed.

THE LEADING MERITS ARE, VIZ:

FIRST—It is simply constructed and the draft so arranged as to prevent the parts contiguous to the oil from becoming heated to cause the generation of gas; therefore it is non-explosive.

SECOND—The glass chimney can be removed by hand at the lower part, without burning the fingers, and should be tipped at one side on removal.

THIRD—It saves one-third in oil, for the reason that no light is hidden below the metallic cone, therefore you obtain the whole light—clear, white and cheerful.

IMPORTANT.

THE Proprietors of the United Provincial Commercial College have much pleasure in announcing to the Business Community, and friends of Education and progress in general, that they have extended operations by opening in the City of Halifax under auspicious circumstances. This is of importance, for it gives our Students a much wider field for their enterprise, as our Diplomas will be appreciated not only in one City or Province, but in Provinces, and throughout the "Dominion of Canada."

Young man, are you nobly and honorably trying to better your condition? Remember, "Knowledge is Power;" men generally get that position of honor, emolument and dignity for which they prepare themselves. Can you point out any calling or profession, where in so short a time, for such a trifling sum, you may obtain such a ready passport of success? A boundless field of business enterprise lies before you, a vast continent of inexhaustible resources. The world is astir about you, progress is the motto of the age; let no man win your prize; step forward boldly, have self-reliance, with an honest intent and indomitable perseverance, and success is yours.

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP,

For Children Teething,

which greatly facilitates the process of teething, by softening the gums, reducing all inflamation—will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth** of it, what we have never been able to say of any other medicine—**NEVER HAS IT FAILED IN A SINGLE INSTANCE to EFFECT a CURE** when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty year's experience, **and pledge our reputation for the fulfilment of what we here declare.** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **EXPERIENCED and SKILFUL NURSES** in New England, and has been used with never failing success in

THOUSANDS OF CASES.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

Griping in the Bowels, and Wind Colic,

and overcome convulsions, which, if not speedily remedied, end in death. We believe it **the best and surest remedy in the world,** in all cases of **DISENTERY AND DIARRHŒA IN CHILDREN,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints **do not let your prejudices, nor the prejudices of others,** stand between your suffering child and the relief that will be **SURE—yes, ABSOLUTELY SURE**—to follow the use of this medicine, if timely used. Full directions for using accompany each bottle. None genuine unless the fac-simile of **CURTIS & PERKINS,** New York, is on the outside wrapper.

Sold by Druggists throughout the world.

Principal Office, 48 Dey Street, New York.

Price only 35 Cents per bottle.
