It is not always tying to the proprietor of this Medicine, that, while he declares to the public that this is a most wonderful and effective Specific for Humors, as stated above, he has abundant proof at hand to sustain his statement. For sixteen years the HUMOR DOCTOR has been manufactured and sold, and every year has increased the value of its reputation, and the amount of its sales. In New Hampshire, where it was originated, no remedy for Humors is so highly prized. An aminent physician (now an army surgeon,) when practising in N. H. purchased between tifty and sixty gallons of it, during some seven or eight sears, and used it in his practice.

ile has smee then ordered it for the Hospital where he the proprietor lived in New Hampsihre, at Goffstown Centre, for the space of thirty or forty miles around, and in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and won derful cures which it effected. Though manufactured in large quantities, the supply was frequently exhaust ed, and purchasers had to wait for more to be made. It

that region, some very severe cases of erysipelas were treated with it,—and they were cared. Erysipelas sores or Carbuncles, those ugly painful ulcers, were entirely removed, wherever this medicine was faithfully used So it was with Scrofula and Salt Rheum. The Humon Since the Proprietor's removal to Melrose, Mass., his present residence, he has been regularly selling it to patients who have applied to him in person, and has been very successful in relieving and curing them. One case of Erysipelas—of an old man 72 years—is worth mentioning in particular. When he came to the Doctor's office he could only wear a pair of old rubber overshoes his feet and ankles were so swollen and sore. When he pulled off his socks the scabs came with them and the raw, bleeding feet, were frightful to behold Suffice it to say, that less than one dozen bottles of the Humor Doctor (and in a few weeks) healed up those test and ankles so that they were smooth and apparent ly sound. The man wore boots without inconvenience Numerous cases of pimples in the face have been treated with this Medicine, to the entire eradication of them In Melrose alone, there are more than a hundred per sons who have used the Humor Doctor, and give it an excellent name. In all the towns around it is well known and approved.

For the sake of showing what is thought of it, a few testimonials are here inserted:
