HUMOR DOCTOR.

OF HUMORS,

PARTICULARLY

Erysipelas, Nettle Rash, Salt Rheum,

Scrofula, Carbuncles, Boils and Piles.

It is very easy to say of this, or any other Medicine, 'It is the very best l'emedy known." It is not always so easy to prove it. It is, however, exceedingly gratifying to the proprietor of this Medicine, that, while he the value of its reputation, and the amount of its sales. In New Hampshire, where it was originated, no remedy for Humors is so highly prized. An eminent physician (now an army surgeon,) when practising in N. H. purchased between fifty and sixty gallons of it, during some seven or eight years, and used it in his practice. He has since then ordered it for the Hospital where he was stationed. Other physicians have purchased it, and have used it in practice with great success. When the proprietor lived in New Hampsilire, at Goffstown the proprietor lived in New Hampsihre, at Goffstown Centre, for the space of thirty or forty miles around, an in Manchester particularly, the Humor Doctor was well known and highly valued for the numerous and won derful cures which it effected. Though manufactured in large quantities, the supply was frequently exhaust ed, and purchasers had to wait for more to be made. In that region, some very severe cases of erysipelas were treated with it,—and they were cured. Erysipelas sores or Carbuncles, those ugly painful ulcers, were entirely removed, wherever this medicine was faithfully used

So it was with Scrofula and Salt Rheum. The Humon present residence, he has been regularly selling it to present residence, he has been regularly sening it to patients who have applied to him in person, and has very day you will marry, gives you the name, likeness much research and study by the proprietors of been very successful in relieving and curing them. One case of Erysipelas-of an old man 72 years-is worth mentioning in particular. When he came to the Doctor's office he could only wear a pair of old rubber over-shoes his teet and ankles were so swollen and sore. When he pulled off his socks the scabs came with them and the raw, bleeding feet, were frightful to behold Suffice it to say, that less than one dozen bottles of the Humor Doctor (and in a few weeks) healed up those teet and ankles, so that they were smooth and apparent ly sound. The man wore boots without inconvenience Numerous cases of pimples in the face have been treated with this Medicine, to the entire eradication of them sons who have used the Humor Doctor, and give it an excellent name.
