MRS. WHEELER, Stoneham, Mass.

I very confidently and earnestly recommend Dr. J. W. Poland's Humor Doctor as an excellent remedy for Humors, having been wonderfully benefitted by it my. self. My own case was a very severe and obstinate one. For more than two years the skin upon the inside of both my hands, and even down on the wrist, was constantly cracked and broken up, so that I was unable to use my hands in any kind of wet work, and was obliged to wear gloves in sewing to avoid getting blood on my work. The humor which so affiicted me was probably a combination of Eryspelas and Salt Rheum.
