The city has all the evidences, standing in relief to each other, of hoary and delapidated age and sprightly and garish youth. The pleasures of the occasion were much enhanced by the presence of the Woodstock Cornet Band, who furnished a large ount of capital music. The proceeds of amounted, we understand, to

WE are glad to witness the warm interest in the cause of Temperance, which seems to prevail in various sections of our County at the present time. A pleasing evidence of the fact was given us on Saturday evening last. Some thirty persons assembled at Baird's Hall, Centreville, on that evening, for the purpose of forming themselves into a Lodge of Good Templars. Jas. Watts, P. D., was the instituting officer. The organization of the Lodge having been concluded, the following persons were elected office bearers for the current quarter :-

H. McGrath, W. C. T.; W. D. Estey, W. F. Gilbert Corey, W. T.; S. J. Jenkins, W. S. Rev. Mr. McDonald, W. C.; Samuel Burt, W. M.; Jas. Corey, W. I. G.; Miles Foster, W. O. G.; Geo. W. White, W. V. T.; Helen A. Estabrooks, R. H. S.; Adda Estabrooks, L. H. S. Charles Estabrooks, A. S.; Wm. Corey, D. M. Jacob Estabrooks, W. P. V. T.

As will be noticed this Lodge comprises many of the leading men of the Parish, and we understand that already some other twenty-five persons of like standing in society, are pledge to become members of it. With such material working in so just a cause, who can predict the good that may result therefrom?

The postal arrangements between Canada and the Lower Provinces want immediate atten tion paid them. It now takes a letter about 10 days to reach us from Ottawa. We see it stated that mails are made up at Ottawa twice a week for the Lower Provinces; there certainly should time; there is a letter now over due us from him but it has not as yet come to hand.
