A reliable remedy for expelling worms so common with young children will be found in Brown's "Vermifuge Comfits," or Worm Lozenges, which are pleasant to the taste; and no child will refuse to take them.

The combination of ingredients used in making the "*Comfits*" is such as to give the best possible effect with safety.

Wistar's Balsam of Wild Cherry.

Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Quinsy, and the numerous as well as dangerous diseases of the *Throat, Chest* and *Lungs*, prevail in our changeable climate at all seasons of the year; f are fortunate enough to escape their baneful influence. How important then to have at hand a certain antidote to all these complaints. Experience proves that this exists in *Wistar's Balsam* to an extent not found in any other remedy; however severe the suffering, the application of this soothing, healing and wonderful Balsam at once vanquishes the disease and restores the sufferer to wonted health.

Mr. John Bunto,

Of Baldwin, Chemung County, N. Y.—writes:

"I was urged by a neighbor to get one bottle of the Balsam for my wife, being assured by him that in case it did not produce good effects, he would pay for the bottle himself. On the strength of such practical evidence of its merits, I procured a bottle. My wife at this time was so low with what the Physicians termed Seated Consumption as to be unable to raise herself from the bed, coughing constantly and raising more or less blood. I commenced giving the Balsam as directed, and was so much pleased with its operation that I obtained another bottle, and continued giving it. Before this bottle was entirely used, she ceased coughing and was strong enough to sit up. The fifth bottle entirely restored her to health, doing that which several Physicians had tried to do but had failed."

AN EFFECTUAL WORM MEDICINE.

Brown's Vermifuge Comfits,

Or Worm Lozenges. Much sickness, undoubtedly, with children and adults, attributed to other causes, is occasioned by worms. The "Vermifuge Comfits," although effectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so hurtful to children.

Children having Worms require immediate attention, as neglect of the trouble often causes prolonged sickness.

Symptoms of Worms in Children are often overlooked. Worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. The combination of ingredients used in making Brown's "Vermifuge Comfits" is such as to give the best possible effects with safety.

Curtis & Brown, Proprietors, New York. Sold by all Dealers in Medicines, at 25 cents a box. [1y-31]

MARRIED

By the Rev. Thomas Connor, at his residence, Woodstock, on the 9th inst., Mr. Hezekiah Fox to Miss Mary J. McKay, all of Southampton, Y. C.—[Intelligencer please copy.

DIED.

At Lower Brighton, Carleton Co., N. B., on the 28th ult., of a lingering disease, consumption, which she bore with Christian resignation to the Divine Will, Catherine, beloved wife of Richard Dickinson of the said place, and daughter of Colonel John McAlpine, of Weymouth, N. S., in the 33th year of her age, leaving an affectionate husband, one child, and relatives and friends to mourn their loss. Ott times, in her calm reflections, for months before her death, was she heard to express her "desire to depart and be with Christ;" and a few moments before she expired, on being told that she was dying, received the intelligence with manifestations of inexpressible joy, and after giving her parting hand to the by-standers, and imprinting on them the last kiss, she instantly fell "asleep in Jesus" without a struggle.

Fredericton, Sept, 28 SHERATON & CO.

IMPORTANT.

THE Proprietors of the United Provincial Commercial College have much pleasure in announcing to the Business Community, and friends of Education and progress in general, that they have extended operations by opening in the City of Halifax under auspicious circumstances. This is of importance, for it gives our Students a much wider field for their enterprise, as our Diplomas will be appreciated not only in one City or Province, but in Provinces, and throughout the "Dominion of Canada."

Young man, are you nobly and honorably trying to better your condition? Remember, "Knowledge is Power;" men generally get that position of honor, emolument and dignity for which they prepare themselves. Can you point out any calling or profession, where in so short a time, for such a trifling sum, you may obtain such a ready passport of success? A boundless field of business enterprise lies before you, a vast continent of inexhaustible resources. The world is astir about you, progress is the motto of the age; let no man win your prize; step forward boldly, have self-reliance, with an honest intent and indomitable perseverance, and success is yours.
