HUMOR DOCTOR.

OF HUMORS,

Erysipelas, Nettle Rash, Salt Rheum,

Scrofula, Carbuncles, Boils and Piles.

It is very easy to say of this, or any other Medicine effective Specific for Humors, as stated above, he has For sixteen years the Humon Docton has been nanufactured and sold, and every year has increased the value of its reputation, and the amount of its sales. In New Hampshire, where it was originated, no remedy for Humors is so highly prized. An eminent physicia (now an army surgeon,) when practising in N. H. purchased between fitty and sixty gallons of it, during some seven or eight years, and used it in his practice ile has since then ordered it for the Hospital where he was stationed. Other physicians have purchased it, derful cures which it effected. Though manufactured in large quantities, the supply was frequently exhaust ed, and purchasers had to wait for more to be made. It that region, some very severe cases of erysipelas were treated with it, and they were cured. Erysipelas sores or Carbuncles, those ugly painful ulcers, were entirely removed, wherever this medicine was faithfully used So it was with Scrofula and Salt Rheum. One case of Erysipelas-of an old man 72 years-is worth mentioning in particular. When he came to the Doctor's office he could only wear a pair of old rubber overshoes his feet and ankles were so swollen and sore When he pulled off his socks the scabs came with them Humor Doctor (and in a few weeks) healed up those feet and ankles, so that they were smooth and apparent ly sound. The man wore boots without inconvenience In Melrose alone, there are more than a hundred per sons who have used the Humor Doctor, and give it an known and approved. testimonials are here inserted :-

MILTON GALE, Esq, Boston.

I hereby certify that I was sorely afflicted with boil for two years, developing themselves upon my limbs and other parts of my body. The sufferings which I endured from them are indiscribable. Suffice it to sav that I faithfully tried several of the most popular humor remedies, but without removing the affliction. At length. by the earnest request of an intimate friend, I was induced to try Dr. J. W. Poland's Hun or Doctor

and am very happy to attest that all my boils were re-neoved, and my health was restored by using Dr. Po land's aforesaid medicine. MILTON GALE. Beston, January 11, 1856.

A. C. WALLAUF, Esq., Manchester, N. H

Dr. J. W. Poland. Dear Sir,-I very cheerfully give my testimony in favor of your Humor Doctor, as an ex cellent remedy for Humors. My numerous acquaint ances in Manchester know how severely I was afflicted with boils, and they know how perfectly good my health is at present. Your Humor Doctor cured me. Please refer to me for particulars in my case.

MRS WHEELER, Stoneham, Mass.

I very confidently and earnestly recommend Dr. J W. Poland's Humor Doctor as an excellent remedy for Humors, having been wonderfully benefitted by it my. self. My own case was a very severe and obstinate one. For more than two years the skin upon the inside of both my hands, and even down on the wrist, was constantly cracked and broken up, so that I was unable to use my hands in any kind of wet work, and was Dibblee, in this Town, is offered for sale. Appl: obliged to wear gloves in sewing to avoid getting blood on my work. The humor which so afflicted me was probably a combination of Erysipelas and Salt Rheum My general health was quite poor. Soon after I began to use the Humor Doctor, I could perceive signs of healing. I continued to take the medicine till I was finally cured. My hands are now perfectly tree from humors, and to all appearances my whole system is clear of it. Shipping, Forwarding & General Commission Merchants, and has been for several months. py to say that I think it is "the medicine for that dread- Street. ful sickness. I tried various prescriptions, but found none that settled the stomach and cleared the head like the Humor Doctor. I felt as though I could hardly wait to get ashore, to entreat you to introduce it into ship chandlery stores, that it may find its way to those who suffer upon the mighty deep from sea sickness. If captains who take their families with them, or carry passengers, should try it for once, thoy would never be willing to voyage without it. I have used it in my family since its introduction to I am not fond of having my name appear in public and would not consent to it on any account but to relieve the suffering; but, if the foregoing will be of any service to you or the public, you can make use of it.

TESTIMONIALS FROM PERSONS OF THE FIRST RESPECTABILITY IN NEW

From a Justice of the Peace. Elgin, U. C., May 12, 1865. MESSES. FELLOWS & Co.,-Gents: I accidentally sent the other day to a store for some Vermifuge; and the man, not having much on hand, sent me some of your WORM LOZENGES. My children showed symptoms of worms at the time. I gave them according to direction, and in twenty four hours from the time they commenced taking the Lozenges, one (a boy about five years old) had passed twenty-five large worms; the other (a girl three years old) had passed twelve; and I deem it but just to sty, that, from this slight acquaintance with your remedy, I feel satisfied that your Lozenges are cheap, convenient, ra'e, and more effectual than the ordinary remedies; and as such I cheerfully

FELLOWS & Co,-Gents: It affords me great pleasure in saying that I have known in my own family, and in the families of others, wonderful effects produced in the destruction of worms by your WORM LOZENGES; and I can certify most conscientionsly that I believe them to be the most effectual remedy that has ever been invented for the removal of worms from the human stomach; and I hope, gentlemen, in presenting such a valuable medicine to the world, that you may receive large patronage from the

EDWIN CLAY, M. D. ST. JOHN, N. B., March, 1866. MESSES. FELLOWS & Co: This is to certify that my little boy, aged six years, having been much troubled with worms of late, I administered four of your Work LOZENGES, as per direction, and in nine hours after be passed several large worms. These Lozenges are particularly valuable, as the children are fond of them.

MESSES. FELLOWS & Co: It is due to you, the heads of families, and to the public at large, that I should give a statement of the effects of your WORM LOZENGES in my family. My daughter, aged about five years, had been troubled with a severe cough nearly two years, first in Dorcester, Mass., where our doctor attended her for some time; finding he did not help her, I procured syrups and other common remedies, without giving relief. Since I came to this city, I procured medical aid, and finding the child grew worse, so that we really thought she would die, we despaired of getting a remedy. At last a lady friend called in, and assured us that the child was troubled with worms, and that the cough originated from that cause. I administered your WORM LOZKNGES this morning; we were astonished; the child passed over a pint of worms, and some as large as my little finger-Our babe, only seventeen months old, ate two Lozenges. and, although seemingly healthy, it passed a worm at least eight inches long. I am happy to say that the little girl, who for five days had eaten scarcely anything
