

A COMMON SENSE VIEW OF THE

MODE IN WHICH

HOSTETTER'S

STOMACH BITTERS

ACT UPON THE

HUMAN SYSTEM.

THIS is an age of enquiry. People want to know why and wherefore of all statements submitted to them as facts, and as far as this

Great Protective and Invigorant

All the physicians admit that the greatest difis concerned, it is proposed to gratify them. ficulty they encounter in their practice is in conveying to the seat of a disease the medicament that will counteract and neutralize it. Electrieity has been tried for this purpose, but it is now generally admitted that the electric fluid is too subtle an agent to be made the vehicle of medication. It shocks the nerves, but can not distribute through the system anything except Itself. Medicated electricity is, in short, an ex- She brings together those long separated, gives inforploded humbug. But a liquid stimulant, as ev- mation concerning absent friends or lovers, restores erybody knows, can be charged with the essential properties of any and every substance in the best qualified to pursue and in what you will be most Materia Medica, and there is no herbial extract which will not hold in solution with all its preventative and curative virtues unimpaired. Now the pure liquid stimulant of which

It closing a small lock of hair. would merely excite. It could neither protect nor cure. And herein lies the essential difference between the effect of the purest stimulant when given alone, and the same stimulant when There cometh glad tidings of y to Il, administered in the medicinal form of

Hostetter's Stomach Bitters.

Good Monongabela spirit is doubtless the mild est and most innocuous of all the varieties of liquor, but it only becomes a healthful medicine when impregnated with the vegetable elements employed in the preparation of the Bitters.

To Puspeptic Sufferers.

plassed all the varieties of indigestion. Its symptoms are so various, and differ so much in different individuals, that it is almost impossible to classify them. In fact, some of them are utterly by mail, post-paid, on receipt of an order, by indescribable. It may be safely asserted, however, that half of the diseases of mankind spring from a disordered state of the stomach; and that the other half, whatever their origin, react upon that sensitive and important organ. Among the ordinary indications of dyspepsia are flatulence, a bloated and full feeling about the stomach and abdomen immediately after eating a gnawing sensation, or a sense of hollowness at the pit of the unrefreshed feeling on rising in the morning, pal- youthful indiscretion, renders it the most valuable quality. pitation of the heart, depression of mind, some- preparation ever discovered. times amounting to monomania, loss of memory, excitement, incapacity to study or business, loss of bleness and disinctination for exertion, and some- excess of evil practices technically attributed to other causes.

The best abvice that can be given to any one who has the slightest predisposition to dyspepsia, is to tortify his or her digestive organs by the daily use of

Hostetter's Bitters.

paratus is in good working order, and can perfeetly dissolve and thoroughly assimilate the food submitted to its operation, there will be no dyspepsia. If it cannot do this, it requires reinforcement, and the best of all reinforcing agents Auburn, Golden, Flaxen & Silken Curls, the commissary of the system. It supplies the PRODUCED by the use of Prof. DE BREUX' FRIthe commissary of the system. It supplies the elements of life to the whole body. In it is preelements of life to the whole body. In it is prepared the material of blood, muscle, bone and fire, and if it fails to purvey that material in been used by the lashionables of Paris and London fibre, and if it fails to purvey that material in been used by the lashionables of Paris and London fibre, and of a preparation warranted the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to curl the most straight and stubborn hair of either to more or less.
