AYER'S PILLS.
ARE you sick, feeble and complaining? Are you out of order—your system deranged and your feelings uncomfortable? These symptoms are often the precursors of serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and drive out the humor—purify the blood, and let the fluids and solids unobstructedly perform their functions. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which cause disease. A cold settles upon the chest, the lungs are inflamed, and the natural operations of the part. This, if not relieved, will react upon itself and the surrounding organs, producing general prostration, suffering and danger. While in this condition, take Ayer's Pills, and you will directly restore the natural action of the system, and with it the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous diseases. The same purgative effect which is caused by similar obstructions and derangements, they are early, and many of them rapidly, cured by the same means. None who know the virtue of these Pills will hesitate to employ them when suffering from the disorders they cure, such as Headache, Febrile Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms, and Suppression, when taken in large doses.

They are sugar coated, so that the most sensitive can take them easily, and they are perfectly safe and pure medicine.

AYER'S AGUE CURE.
For the speedy and certain cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chills, Fever, Dumb Ague, Periodic Headache or Bilious Headache and Bilious Fever, I have a remedy for the whole class of diseases originating in bilious derangement, not caused by the malaria of malarious countries.

This remedy has been found to cure the severest cases of Chills and Fever, and it has this great advantage over other ague medicines, that it addresses the complaint without injury to the patient. It contains no quinine or other deleterious substance; nor does it produce quinine or any injurious effect whatever. Shaking chills, chills and fever, and all the symptoms you will witness these assertions.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and Dealers in Medicine everywhere. In Woodstock, by William Dibble, Henry B. Baird, Dr. S. Smith, W. T. Baird, Agents for Woodstock, T. B. BARKER, St. John, Agent for New Brunswick.
