The Properties of its Ingredients.

SARSAPARILLIAN.—The properties of this wonderful ingredient (which is the only true curative principle of Sarsaparilla), cleanses the blood of vitiated humors, and expels from the system the taint of corruption—rapidly removes from the flesh PIMPLES, BLOTCHES, PUSTULES, TETTERS, ACNE, BLACK SPOTS, WORMS AND INSECTS, imparting beautiful clearness to the skin, and the roseate hue of health and beauty to the complexion. A few doses will make a remarkable change.

LIXIVÆ FUCI.—This extraordinary agent, associated with SARSAPARILLIAN, cures effectually, with astonishing quickness, all varieties of uncured Syphiloid Ulcers, Nodes, Tumors, Swellings, Fever Sores, Mercurial Sores, Rheumatism and Wandering Pains, and the worst forms of Skin Diseases. As a specialty, it is king of remedies for these complaints, and its association with the other ingredients in the Resolvent places a cure beyond the possibility of a doubt.

It secures a good appetite, makes sound and healthy
