## Editorial Correspondence.

FREDERICTON, March 15, 1868. The Legislators are fairly at work; they are all present with the exception of the Solicitor General-this is down stairs; from the Legislative Council there are several absent still. The ships from being as good as it had been. He ney for either party was prepared to go for a reasonable reduction in Mr. Hartley produced some sensation in the Province would be the expenditure could be lutions:-

In the lower house Mr. Lindsay moved the Address, and Mr. Keans seconded it. It was as usual a mere echo of the speech, which by the way has been remarkably well received by the present session adopted resolutions intended to press of all stripes. This Address passed on Sat- affect such determination; and

the speakers Mr. Hartley, Mr. Pickard, Mr. Tompson and Dr. Dow very emphatically dediate change in the school system.

and have been ordered. While diseasing the applointment of a Contingent Committee in the Assembly Mr. Lindays suggested that they shall they ambit of the assembly Mr. Lindays suggested that they shall they ambit of the assembly Mr. Lindays suggested that they shall they are chieved dispense with coaches. Soon after Mr. Harley more a resolution that no coaches should be made.

Business is proceeding, very slowly; immobrate more a resolution that no coaches should be made.
