Dr. Wistar's Balsam of Wild Cherry.

In the whole history of medical discoveries no remedy has performed so many or such remarkable cures of the numerous affections of the THROAT, LUNGS and CHEST, as this long tried and justly celebrated *Balsam*. So generally acknowledged is the superior excellence of this remedy, that but few of the many who have tested its virtues by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of Cold—fully believing that its remedial powers are comprehensive enough to embrace every form of disease, from the slightest cold to the most dangerous symptom of pulmonary complaint.

UNSOLICITED TESTIMONY.

From Rev. Francis Lobdell, Pastor of the South Congregational Church, Bridgeport, Connecticut.

"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of DR. WISTAR'S BALSAM OF WILD CHERRY. I have used it when I have had occasion for any remedy for Coughs, Colds or Sore Throat—for many years, and never in a single instance has it failed to relieve and cure me. I have frequently been very hoarse on Saturday, and looked forward to the delivery of two sermons on the following day with sad misgivings, but by a liberal use of the Balsam my hoarseness has invariably been removed, and I have preached without difficulty.

I commend it to my brethren in the ministry, and to public speakers generally, as a certain remedy for the bronchial troubles to which we are peculiarly exposed."

Perry Davis' Vegetable Pain Killer.

THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS!

At this period there are but few of the human race unacquainted with the merits of the Pain Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands alone, unrivalled by all the great catalogue of Family Medicines, and its sale is universal and immense. The demand for it from India and other foreign countries is equal to the demand at home, and it has become known in these far off places by its merits.

AN EFFECTUAL WORM MEDICINE.

Brown's Vermifuge Comfits,

OR WORM LOZENGES. MUCH SICKNESS, undoubtedly, with children and adults, attributed to other causes, is occasioned by worms. The "VERMIFUGE COMFITS," although effectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so hurtful to children.

Children having Worms require immediate attention, as neglect of the trouble often causes prolonged sickness.

Symptoms of Worms in Children are often overlooked. Worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. The combination of ingredients used in making BROWN'S "VERMIFUGE COMFITS" is such as to give the best possible effects with safety.

CURTIS & BROWN, Proprietors, New York. Sold by all Dealers in Medicines, at 25 cents a box. [1y-31]

MARRIED

On the 1st inst., by the Rev. S. D. Lee Street, Rector, William Speer, of the Parish of Richmond, in the County of Carleton, to Sarah Mackey of the same place.

DIED.

At Southampton, Y. C., on the 29th ult., of consumption, after nine months sickness, which he bore with christian patience, Bro. N. G. Freeman, aged 28 years. He died in hope of a glorious resurrection.

He asked not that fame should his merits rehearse;
He asked not a stone to be sculptured with verse,
But he asked, as a boon, when he gave up the ghost:
Tell my brethren for me that I died at my post.

At Waterville, on the 28th of December, of Whooping Cough, Harry Lindon, only child of George Frederick and Clarssie Plummer, aged 9 months.

The little flower is picked and gone,
And in a moment fled;
He died to sin, he died to care,
But tor a moment felt the rod.
His little limbs once active here,
Now sleep in Death's embrace;
We would not ask him back again
From his quiet resting place.

At her residence, Woodstock, on the 14th inst., Margaret, wife of James Robertson, Esq., aged 74 years.

In short he has removed his *Tools* and *business* to his dwelling house, (say *Woodbine Cottage*) at the *West End* of Woodstock, (the most fashionable part of all cities, both in Europe and America,) and he begs to assure them that, with gratitude for past favors, he solicits a continuance of their custom and support.

And in passing, it may not be amiss, (as his brother chip boasts of his experience) to state that he, too, has had some experience in the line of his profession, having made *dozens* of Clocks with his own hands, and *helped* to manufacture *dozens* of Watches long before the present generation were whelped.
