# The Carleton Sentinel.

Saturday, August 29, 1868.

The Government at Ottawa certainly seem etermined to give their enemies every oppor tunity of assailing them, and their friends the most ample room for the exercise of an unbounded charity and an elastic confidence. faith may be strengthened by doubts, and confiwarm and willing support may be expected to grow expansive and muscular by the conduct of that Government.

We might find some excuse for the authorities disregarding the wishes and interests of our Province, and through them those of the Dominion, as influence on the part of some of our representa ent, and probably consistent, if not politic oppo sition which has been given them and the measures by New Brunswick in Parliament, but reason, deserving of weight, to justify certain clauses of a late order or proclamation that ha emanated from head quarters, and which touches not political, commercial, or mere social points, but raises a question of creed, of religious tole-

Far be it from us the desire or the will to pander to any mere feeling of sectarian jealousy and the question now presented rises immeasuradecision of the Privy Council concessions are made and preference given to the representatives onists in this Province, the hearts of a large majority of the communities of the Province are touched, and their sympathies outraged. In an order lately issued defining the order of precedence of the several dignitaries and officials, it is laid down as follows:-1. The Governor General or officer adminis

tering the Government. Queen's Regulations on this subject. 3. The Lieutenant Governor of Untario

8. Members of the Cabinet according to seni-9. The Speaker of the Senate

10. The Chief Judges of the Courts of Law and Equity, according to seniority.

11. Members of the Privy Council, not of the 12. General Officers of Her Majesty's Army serving in the Dominion, and officers of the rank

officers to be determined by the Queen's Regu-
