> Valuable Family Medicine. PENDLETON'S

Vegetable Panacea. This valuable preparation has already been extensively circulated, and wherever it has been used it has met with entire approbation, and been enstalled as the Family Medicine. None should be without it, for so sure and speedy a relief as it affords in all cases of

violent pains, cramps, colic, coughs and colds, cannot elsewhere be found. Especially as a cure for Rheumatism it has proved, when faithfully applied, infallible. Being purely vegetable, no deleterious effects need be feared. Try it, for a single bottle will do more to establish its character than a hundred testmonials; but if any character than a hundred testmonials; but it any doubt its value, certificates from many prominent citizens of St. John and other towns may be seen in the manufacture's possession who will gladly exhibit them.
