READ THIS.

New Albany, Ind., March 12, 1867.

For forty years I have been afflicted with costiveness, and for the last twenty was compelled daily to resort to injections to secure an evacuation. In December last I commenced the use of Radway's Pills. After taking a few doses, my liver. stomach, and bowels were restored to their natural strength and duties. I have now a regular movement once a day, and, although 80 years of age, feel as hearty and strong as I did 40 years

DR RADWAY is in receipt of an important official document, signed by the Professors of the Medical College of Breslau, Prussia, embodying the result of an analysis of RADWAY'S REGULATING PILLS. They state, further, that the injur-

ious rumors set afloat by the Prussian apothecaries originated " in a mean spirit of trade jealousy, excited by the great celebrity attained by the Pills within a very brief period." Signed on behalf of the College, DR. PHIL. THEOBALD WERNER, DR. HESSE. Director of the Polytechnic Bureau. First Assist. Indigestion.

In cases where natural evaluations are difficult to secure, and a quick discharge is essential, take six of Radway's Pills and pulverize them,—take the pill powder in water or preserves,—in half an hour they will operate. We have known the most distressing pains of Gastritis, Bilious Cholic, Inflammation, Congestion, &c., stopped, and the retained irritating humors expelled from the bowels in thirty minutes by this treatment. It is, however, better in chronic cases to take the pillt as they are, and let them gradually dissolve in the stomach. These Pills possess in the highest degree cathartic, aperient, tonic, and diapharetic properties. They do not weaken or debilitate the system or any of its organs, and will leave the bowels regular and healthy. They purify and Fredericton, N. B.
