Professional Cards.

Dr. EDMUND L. HOVEY

NFORMS his friends and the public that he has com menced the practice of his profession in this County. Dr. Hovey has made Medicine the study of his life, County. During the past few years he has had the advantage of receiving instruction from representative men in the various branches of the Art, and in several of its many systems. He has also been in a position to study Surgery and healing, during the continuance of the late Civil War in the United States, in some of the largest hospitals.

RESIDENCE, next below the Baptist Church.

Great Britain, and we presume there is no find the presume there is no find the presume the pre would cut up our commerce, and we should cut up her commerce, - and that would be about all 152 50 William Neal, Men saled videnses & Isrough out of endmon to not that would come from war, and, bad as that would be, it would not advance the work of condo Overseer Duff. Language and 83 78 quest, on either side, one inch. The English \$143 78 could not land an army, even if they could raise one. on any part of our coast; and we could not land an effective army any where in the British islands. It is possible that we might succeed in landing a small force in Ireland, which would be "gobbled up" after the manner that Humbert's force was served seventy \$213 15 years since. The only point at which even \$284 38 an immense military superiority could be made available would be Canada; and it is certain that, as soon as war should become imminent. There is a slight discrepancy as to the balance stated since 1866, and the Canadian Dominion would be converted into the Canadian Nation,—and that Nation would be converted into this Overseer has received, not stated in his return, \$84 93, leaving a have no connection with England, while it would balance due the Parish of \$63 70. Hugh Montgomery, Esq., account of defaulters, 1866.

James Kirkpatrick. er times, and as we are the greatest and wisest and bravest people on earth, why should we not imitate ourselves or our ancestors? Almost six-ty years since we had heavy claims on France for depredations on our commerce. After the fall of Napoleon I., by whose order those depredations were committed, we sought payment of our claims. The negotiations lasted for about Highway Commissioners have made a return which is submitted eighteen years—or rather, about that number of years elapsed before the French government agreed to pay our demand; and then several years elapsed before the money was paid. Indeed, payment at one time was refused, and it was feared that war would follow, when Great Britain offered her mediation between the two ancient allies." Well, if we could wa't twenty \$57 97 years and more for the payment of our French claims, without talking of war, would it be disamount refunded paid for Books, 200 honorable in us to wait five or six years for the 25 67
