Publications of John Dougall & Son, MONTREAL.

THE phrase "Get the Best" has parsed into a prowerb, and all will agree that the best Family Paper is one that has something interesting and pro-fitable for every member of the family, not excluding the children, and which includes within its scope all the best interests of humanity, temporal and eternal. Such a paper the Montreal Witness has aimed to be from its commencement, 23 years ago; and that the country was prepared for such an enterprise is shown by its success. The Witness in its three editions-Daily," "Semi-Weekly," and "Weekly,"-issues about 16,000 copies; and, consequently, reaches pro-bably Eighty Thousand readers; but what are they out of a population of four millions, all of whom we desire to reach?
