The true curative virtues of Sarsaparilla for 300 years has laid hidden in the Crystaline principle of the Root. Under Dr. RADWAY'S New Process, SARSAPARILLIAN SARSAPARILLIAN is secured and brought to light, and associated with other ingredients, k fulfils the most extravagant expectations and views

of men. One ounce of Dr. KADWAY'S SARSA-PARILLIAN contains more of the curative principle than ten pounds of the extracts from the crude LIAN RESOLVENT, is worth more than a galroots, as prepared officially or in the popular ad-"IN UNION THERE IS STRENGTH." The uniting of ingredients so as to secure perfect harmony, and contribute an assisting power to each other in their several properties of cure, fulfils one of the most important aims of the chemist. In the composition of Dr. KADWAY'S SARSAPA-RILLIAN MESOLVENT this important principle is most successfully accomplished.

Twenty years more of hard, patient labor and

study, in new fields of science, seeking to improve the process of obtaining the active properties o the substances used in this great remedy, were at last rewarded with success beyond our most extravagant hopes, for in this remedy, Dr. RAWAY'S Sores, Ulcers, Tumors, Nodes, Hard Lumps, SARSAPARILLIAN RESOLVENT, new life is Swellings of the Glands, Eruptive and Ulcerated
