A monster brewing pan has been made for an English firm. It is what is called a "brewing copper," and is the largest in the three kingdoms. It is twenty-three feet high by twenty-four feet in diameter; will contain 1,300 barrels, weighs in diameter; will contain 1,300 barrels, weighs twelve tons, and consists of 120 pieces of copper-fastened by 4,000 rivets; when filled it weig'.

A FUNNY INCIDENT.—The other day a man running at a break neck speed through the streets was mistaken for a thief, and arrested by the police. Explanations followed, and it appeared that he was after a box of Grace's Salve, to use on a burned child. Moral: always keep Grace's Salve in the family, that it may be at hand for immediate use

Gays River, N. S., Oct. 10, 1866. Brown's Bronchial Troches, advertised in an-

other column, are highly recommended for public speakers and others, for the relief of colds and to clear the voice. Their efficacy is strongly attested by congressmen, clergymen and singers, who use them. Among the cerificates to their merits we observe letters from Henry Ward Beecher, N. P. Willis, E. H. Chapin, and others of eminence.—N. Y. Eve'g Post.

To preserve your health, cleanse your blood when it becomes vitiated and foul. Many are the symptoms which sound the note of alarm.—
Fail not to heed them. Indigestion, Nausea, Lassitude, Headache, Wandering Pains, Billious Lassitude, Headache, Wandering Pains, Billious and Eruptive Affections, are so many signals to tell you of disease in the blood. Remove it, and they disappear. How? Take AYER'S COMPOUND EXTRACT OF SARSAPARILLA. It is effectual for its purpose: purifies the blood, expels disease and restores the deranged functions of the body to their healthy action.—Corydon (Ind.) Argus.

AN EFFECTUAL WORM MEDICINE.-The ombination of ingredients used in making Brown's "Vermifuge Comfits" is such as to give the best possible effect with safety.

Worms in the stomach cause irritation and often prolonged sickness, and can be removed only by the use of a sure remedy, which will be found in the Vermifuge Comfits.

The poor little sufferer will be immediately relieved by using MRS. WINSLOW'S 500TH-ING SYRUP for children teething. It seftens the gums, reduces inflammation, cures wind colic, allays all pain, and gives the child quiet, natural sleep, from which it awakes invigorated and refreshed. Perfectly safe in all cases, as millions of mothers can testify.

AYER'S CHERRY PECTORAL IS a scothing expectorant, prepared to meet the urgent need of a safe and reli-able cure for diseases of the throat and lungs. A trial of many years has ostablished the fact, that it is more effica-

tablished the fact, that it is more effections in pulmonary affections, than any other remedy. Its efficacy has now become so generally known, that it is justly regarded in many countries as a medicine of indispensible necessity. In general many countries as a medicine of indispensible necessity. In general many countries as a medicine of indispensible necessity. In general many countries as a medicine of indispensible necessity. In general many countries as a medicine of indispensible necessity. In the armies, in hospitals and other public institutions, and the confidence and respectfully inform them that are not countries of the most specifies, and consumity used in the armies, in hospitals and other public institutions, where it is regarded by the attending physicians as the most speedy and agreeable remedy that can be employed. Scarcely any neighborhood can be found where well known cases of diseased lungs, which had befined the efforts of the most skillful and experienced doctors, have been permanently cured by it. These countries properties of this preparation; and to them the authors point with poculiar satisfaction. While it is most powerful against confirmed diseases, it is extremely gentle as a medicine in infancy and youth being quite harmless to even the youngest, when administered judiciously.

ministered judiciously.

This health-restorer accomplishes even more be prevention than cure. If taken in season, it heals a irritations of the throat and lungs, whether arising from Jolds or Coughs, or from other causes, and thus prevent that long train of painful and incurable discases, which would arise from the neglect of them. Hence no family should be without it. Influence, Croup, Hoarseness, Whooping Cough, Pleurisy, Incipient Consumption, and other affections of the breath-

Dr. Wistar's Balsam of Wild Cherry. In the whole history of medical discoveries no remedy has performed so many or such remarkable cures of the numerous affections of the THROAT, LUNGS and CHEST, as this long tried and justly celebrated Balsam. So generally acknowledged is the superior excellence of this remedy, that but few of the many who have tested Its virtues by experience fail to keep it at hand as a

speedy and certain cure for sudden attacks of Cold-fully believing that its remedial powers are comprehen-sive enough to embrace every form of disease, from the slightest cold to the most dangerous symptom of pul-UNSOLICITED TESTIMONY.

From Rev. Francis Lobdell, Pastor of the South Congregational Church, Bridgeport, Connecticut.

"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of Dr. Wistar's Balsam of Wild Cherry. I have used it—when I have had occasion for any remedy for Coughs, Colds or Sore Throat—for many years, and never in a single instance has it failed to relieve and cure me. I have frequently been very hearse on Saturday, and looked forward to the delivery of two sermons on the following day with sad misgivings, but by a liberal use of the Balsam my hoarseness has invariably been removed, and I have preached without difficulty.

I commend it to my brethren in the ministry, and to public speakers generally, as a certain remedy for the bronchial troubles to which we are peculiarly expessed."

EXTERNAL COMPLAINTS! At this period there are but few of the human race macquainted with the merits of the Pain Killer; but while some extol it as a liniment, they knew but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands alone, unrivalled by all the great catalogue of Family Medicines, and its sale is universal and immense. The demand for it from India and other foreign countries is equal to the demand at home, and it has become known in these far off places by its merits.
