PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and under and in virtue of the authority given by the 10th section of the Act passed during the late Session of the Parliament of Canada, 31st Vic. Cap. 44, intituled: "An Act to amend the Act of the present session, intituled: "An Act imposing duties of Customs with the tarif of duties payable under it," His Excellency in Council has been pleased to approve of the following additional Regulations respecting Drawbacks claimed on the exportation of goods under the said 10th section of the Act above referred to viz:—

REGULATIONS.

1st. Goods having been entered for duty and having passed into the hands of the importer, in cases where such goods are found not to be the goods ordered, notice of such fact may be given to the Collector of Customs at the Port of Entry, within one month of the date of such entry, accompanied by a request for leave to return the said goods to the place and party where and from whom the same were purchased, and that the duties paid thereon be refunded; whereupon the Collector having verified the statement of the importer, and having ascertained that the package to be exported is a whole package, and that its contents identically the same as originally entered for duty, shall report the same to the Department, and the Minister of Customs shall thereupon issue an order to the Collector to refund the duties upon due proof of exportation; Provided that if such goods are not actually exported within one month from the date of such order it shall be void and of no effect.

2nd. Whereas cases frequently arise for which no general order or regulation is provided, in which goods upon which duty has been paid require to be exported, and injury or hardship may be endured by importers, to the disadvantage of the general commercial interests of the Dominion, unless some means of redress be provided,—It is therefore ordered that in all such special cases it shall be lawful for the Minister of Customs to consider the grounds and examine the merits of each application, and make such order thereupon subject to the approval of the Treasury Board, as may, in his judgment be a proper for the relief of the parties, and consistent with the interest and security of the revenue.
