NOVA SCOTIA. ur Telegraphic columns last week, brings the cause his desire could not be gratified. Nova Scotia question to that point where Mr. Howe left it when he said "What then?"-And we must all look anxiously for the future ing interest. We hope Mr. Adderly will prove tion should be made this year. himself a true prophet, but he will find his glory in this respect very much obscured should it ap-

capable of until the fact is apparent.

a chance of success."

remaining in Confederation, is too absurd to be contemplated as among the probabilities, and it would require a mountain-moving faith to believe that a people, such as the inhabitants of Nova Scotia, even though insignificant in numbers, can be forcibly kept within a Confederation to which they are unanimously opposed, for any lengthened period. We are, it is true, a population of but 400,000, but there are quite in some cases. The Globe says in point of time, we venture to affirm it will be ahead in excellence. This number opens with an elegant plate, "The Lesson," and the following pages are replete with that variety of useful and interesting matter which one never looks in vain for in this Book. The most we can do for it is to say to our readers subscribe, we can furnish it for \$2.50 a year.

In selecting a route so utterly indefensible from all points of view, the Government of the Dominion will assume a very grave responsibility. It will communit a great public wrong, the full consequence of which, perhaps, few men now forse." enough of us to give the Ministers of Queen Victoria to understand that we comprehend our political rights,—their extent and value,—and

So long as Repeal of the Union was among and industry. things possible, not only the minds of the people, that issue would be, or what it must be. We think it likely that the question was looked upon very satisfactory manner. Every provision for country. think it likely that the question was looked upon as an interesting and important one, from the circumstance that about 270 members were present at the division. The whole strength of the House is 658, but except extraordinary occasions the business of the country is conducted in Parliament by considerably fewer than 200 members. We can make large allowance for members. We can make large allowance for members as an interesting and important one, from the gratification of the appetites of visitors had the gratification of the appetites of visitors had uable as people say it is, no family should be without it. Certainly no person, be he Lawyer, boctor, Minister, or of any other profession, should start on a journey without it. No Sailor, Fisherman, or Woodsman, should be without it.

If Johnson's Anodyne Liniment is half as valuable as people say it is, no family should be without it. Certainly no person, be he Lawyer, boctor, Minister, or of any other profession, should start on a journey without it. No Sailor, Fisherman, or Woodsman, should be without it.

From the Bangor Whig and Courier. I suffered over fifteen years from Deafness and lischarge of the ear, and was doctered by eminent physicians without relief, until I placed myself under the care of Dr. Carpenter, at the Bangor House in Oct. 1865. He removed a polypus which had grown there, and after the application of his remedies a few months the discharge was cured, and remains so, and the hearing is good. I am satisfied Dr. C. is a skilful physician, and I am satisfied Dr. C. is a skilful physician, and would advise all persons afflicted with diseases of the head to consult him. Shall be pleased Hooks and Staples, Screw Bolts, Stair Rods, Gun Caps,

room, suffering excruciating pain from exposure to light. I always think of you with gratitude for the great cure you performed in restoring to me my eyesight. Yours, with sincere thanks,

Passadumkeag, March 18, 1868.

Testimonial of Theodore Wyman, Esq. From the Bangor Whig and Courier. After suffering from Catarrh and polypus, in my head for six years, I placed myself under the care of Dr. Carpenter, at the Bangor House, in September, 1865. He removed the polypus, and after a course of treatment for Catarrh, I vas permanently cured. When I consulted Dr. C. I had copius discharges from my nose and mouth, dullness in the head and much difficulty in talking and breathing; I now have none of these troubles. I reside in Sebec, Maine. THEODORE WYMAN.

Bangor, March 2, 1868. Testimonials of Hon. Z. Collins, Union, Maine.

Discharge of the Ear of 34 Years Stand. 1 do Sol Soda; 5 casks Paraffine Oil; 100 lbs Mustard, ing Cured. From the Kennebec Journal of Oct. 5, 1866.7 I placed myself under the care of Dr. Carpenter a

year ago, for discharge of the ear, from which I had suffered thirty-four years. After applying the Dr.'s remedies two months, my ear was cured and remains so. W. F MORRILL. Augusta, Oct. 3, 1866. From the Kennebec Journal of Feb. 27. Dr. Carpenter, the skillful and popular Oculist and Aurist, who has been at the Mansion House since Jan. 1, closes to-morrow evening a highly successful practice in this city. After a short rest at his home in Norway, he will return, March 7, to Bangor, where he gained a fine reputation last fall as a skillful practitioner sively circulated, and wherever it has been used it has

Feb. 27, 1866. From the Augusta Gospel Banner of it has proved, when faithfully applied, infallible. Being
