PROSPECTUS FOR 1869 Publications of John Dougall & Son, MONTREAL.

THE phrase "Get the Best" has passed into a proverb, and all will agree that the best Family Paper is one that has something interesting and profitable for every member of the family, not excluding the children, and which includes within its scope all the best interests of humanity, temporal and eternal. Such a paper the Montreal Witness has aimed to be from its commencement, 23 years ago; and that the country was prepared for such an enterprise is shown by its success. The Witness in its three editions—
"Daily," "Semi-Weekly," and "Weekly,"—issues about 16,000 copies; and, consequently, reaches probably Eighty Thousand readers; but what are they out of a population of four millions, all of whom we desire to reach?
