DIED.
At Williamsport, 25th Oct. 1868, after a painful illness of eleven days, Francis Clark, of Woodstock, in the 56th year of her age, leaving a husband and children and a large circle of friends to mourn their loss. Her remains in her all a friend has lost.

She that was dear to his heart,
His crown and his crown of glory,
Why should we fear the distant shore
Since she who loved him so well,
She was loved by him who knew her,
She died praying to God for children,
She died praying to God for children,
She died praying to God for children,
Where parting shall be no more.

Government House, Ottawa.
23rd day of October, 1868.

PRESENT:
HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and under and in virtue of the authority given by the 10th section of the Act passed during the late Session of the Parliament of Canada, 23rd Vic. Cap. 44, intitled: "An Act to amend the Act of the present session, intitled: "An Act imposing duties of Customs with the tariff of duties payable under it," His Excellency in Council has been pleased to approve of the following additional Regulations respecting Drawbacks claimed on the exportation of goods under the said 10th section of the Act above referred to viz—

REGULATIONS.
1st. Goods having been entered for duty and having passed into the hands of the importer, in cases where such goods are found not to be the goods offered, notice of such fact may be given to the Collector of Customs at the Port of Entry, within one month of the date of such entry, accompanied by a request and leave to return the said goods to the place and party where and from whom the same were purchased, and that the duties paid thereon be refunded; whereupon the Collector having verified the statement of the importer, and having ascertained that the package to be exported is a whole package, and that the contents of the same are as originally entered for duty, shall report the same to the Department, and the Minister of Customs shall thereupon issue an order to the Collector to refund the duties upon due proof of exportation: Provided that if such goods are not actually exported within one month from the date of such order it shall be void and of no effect.

2nd. Whereas cases frequently arise for which no general order or regulation is provided, in which goods upon which duty has been paid require to be exported, and injury or hardship may be endured by importers, to the disadvantage of the general commercial interests of the country, unless some means of redress be provided,—It is therefore ordered, that in all such special cases, it shall be lawful for the Minister of Customs to consider the grounds and examine the merits of each application, and make such order thereupon subject to the approval of the Treasury Board, as may, in his judgment be necessary for the relief of the parties, and consistent with the interest and security of the revenue.

Clerk of the Council.
