may return to the subject.

tion of the proper authorities Next week we its officers, as follows :-

A novel case for International Lawyers has arisen. The brothers Reno and Anderson were charged with robbing an express car in the United States: they escaped into Canada, but Librarian ; Committee of Management-Mrs. L were surrendered to the United States authorities, the Governor General of Canada having, Mrs. D F. Merritt, Mrs. Cupples, Miss Churchill, first demanded and obtained from the Govern-Miss McCann. ment of the United States, a guarantee that the prisoners should have a fair trial, and, in case they were not convicted, should be sent back to Canada. They were taken to New Albany, Indiana, and confined in gaol, and on the morntook out the prisoners and hung them. The the Religious Intelligencer, for that he has taken cause of Free Schools; let them refuse to give the bails are off, and I have nothing to do but partment under the charge of one of the ablest cure. ing of December 12, a mob stormed the gaol. Boston Post says :-

"Frank and William Reno were the first vie- County. tims. They were dragged out and hung alongside of each other on the same pillar. Simon Reno was then brought out, but he fought the C. Bleakney's on Wednesday evening, comprismob with great desperation, knocking one or two of them down before he was overpowered, ing a large representation of the several d left suspended between the ceiling and churches \$50 in money and a handsome condoor. Chas Anderson, who was the last victim, tribution in goods was the result to Mr. B. was heard to beg for the privilege of praying, but this request was refused and he was hung at the southwest corner of the jail." A Washington Telegram of Sunday 13th

" After returning from Church to-day Mr. Seward paid his respects to Mr. Thornton and explained the violent character of the proceedings in Indiana, and gave the British Ambassador every assurance that the Government of the was opened on Tuesday evening, Mr. Watts ocpremises. Mr. Thornton bluntly replied that Chairman. We are requested to say that the been guaranteed by the United States had already been hung in violation of the pledge evening, January 8th. given. Mr. Seward has evidently another nice diplomatic question to settle before he retires from the Department of State."

The following particulars of the robbery, Christmas and New Years presents. for which the men were to be tried, is taken

nearly as well known there as here. Yet a one, for all who may give their attendance, few particulars may not be out of place in this connection. The robbery took place near the town of Seymour, in this State, several months ago, the exact date I forget. While the train 000 exclusive of the amount for which the St was standing at the station, a number of persons, Stephen Bank got security, some \$130,000, so who had arranged the plot beforehand quietly that at the time of his failure he owed nearly uncoupled the express car and locomotive from the balance of the train, several of them got half a million of dollars. into the express car, while others mounted into the cab of the locomotive, turned a heavy head of steam on, and shot rapidly away from the daily. Success to it. station. The whole thing was done so completely and expeditiously, that the locometive Major Robinson was acquitted in St. and car were almost out of sight before the rail- John; so was Chief of Police Murshall; also way people were aware of the trick that had been played on them. The alarm was at once Murray the Kidnapper of Mills-virtually—as given, but it was then too late to stop them - the jury could not agree. they had vanished with the locomotive and express car, leaving the passenger ears and In round numbers the debt of the United officers of the train at the station. The only States is about \$100,000,000. The increase in person except the robbers on the baggage car, was an express messenger, who was in the car November was about \$12,000,000. when the robbers took possession of it. He is supposed to have defended himself and the property in his charge as well as he was able. "Christmas" may be a very very merry Christbut he was no match for the gang. They over- mas. powered him, and threw him from the car white they were flying over the road at the rate of thirty miles an hour. On the following day of the "American Stock Journal." the poor fellow was found on the side of the track, all but dead from the injuries he had recarried to a farm house near by, and every- issued in Moncton, Westmorland County, H.
