Editorial Correspondence. OTTAWA, March 14, 1868.

Arrived here at 4 o'clock this p.m., having thus made the trip in less than four days and disappearing, and that part of Maine, New to do with the question. He hoped a wise selec-Hampshire and Quebec through which we passed tion would be made and the leading interests of on the Grand Trunk, is almost entirely denuded

Of course but little business has been done Parliament vet. On the day of re-assembling there were only some sixty-five members of the Commons present, and at the present writing there are a great many still absent. There ar only five New Brunswick members here : Tilley Connell, Costigan, 'Vallace, Bolton. There are only two Nova Scotia members of the Common

On the notice paper we find several question to be put to Government on Monday, which wil possibly illicit some information with regard to the Intercolonial. This matter is the theme much conversation and has been undoubtedly a source of irritation, and at all events temporary discord, within the Privy Council. It is stated. and currently believed, that Mr. Cartier took so decided a stand on the question as to absent himself from Council meetings and threaten withdrawa! from the government unless an immediate adoption of the Noathern line was made; it is further said that Sir John A. MacDonald, who was favorable to a frontier line, finally yielde his opinion to Mr. Cartier, and that the Tilley drew up his resignation truth there may be in these statemen

DEAR SENTINEL,—The proceedings of the House are very uninteresting to-day. Now and Anti-Bilious Pills. the Union Act deprived the local legislatures of the power of passing any Bill that contained any men and measures of the Government. He had est to a spectator. The remarks of members are deveid of anything but the simplest question and Special Correspondence to Sentinel.

Special Correspondence to Sentinel.

Frederictor, March 18.

Dear Sentinel.—Yesterday morning two Bills were passed establishing new polling places in Wings and Chapter to the revenues of the Proconding to thing in reference to the revenues of the Proconding in the Proconding in the revenues of the Proconding in the revenues of the Proconding in Kings and Charlotte. House then went into trine was true this Bill didn't come within its gauntlet in a very defiant manner. He re. Committee of the Whole on the Report of the scope. Hon. W. P. Flewelling wanted the Bill peated that the Government had thrown influ-

form and surrounded by the officers of the 23nd; and a battalion of that Regiment was drawn up
