SCOURING THE INSIDES.

RESOLVENT.

This extraordinary medicine is making astonishing cures of all kinds of Skin Diseases, Salt Rheum. Tetters, Rash. Erysipelas, Kings Evil, and all ERUP-TIVE DISEASES of the Nose, Mouth, Throat Press, Legs, &c. It has made some of the most astonishing cures of uncured Syphilitic and Scrofulous Diseases, Fever-Sores, Ulcers, Tumors, Swellings of the Glands, and Mercurial Sores.

In all cases of weakening discharges in Ladies, as Leuchorrea, Flouralbus, and discharges from the Uterus, it is the most perfect curative known.

In diseases of the Kidneys, Bladder and Urinary passages in Diabeates, Gravel, Bright's Disease, in SCOURING THE INSIDES.

Persons who take Pills for the purpose of getting "a good scouring out" are perhaps not aware that they are wearing away their intestines, irritating the Mucous Membrane, and laying the foundation for Piles, inward Ulcers, Sores, &c. Mandrake, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out (see page 666, Wood & Baches, U. S. Pharmacopia). Mandrake, as a constituent of a purgative pill, for general or continued use is hurtful, and its introduction into a pill secures no new principle. Mandrake is inferior to the same drastic principle, in the officinal aloetic pill of the dispensatory; so there is nothing new in dispensatory; so there is nothing new in dispensatory; so there is nothing new in the second of the urative known.
