PERKINS' INDIAN HERB OINTMENT, the Wonder of the Age, for BURNS, SCALDS and ERYSIPELAS.

VICTORIA CORNER, C. C.,
September 13, 1869.

MR. D. H. PERKINS,—

Dear Sir:—Last Thursday week one of my children was severely scalded by falling into a pot of boiling pickle, so that the skin came off. It was attended immediately by the best Physician we could get. The fourth day the pulse stopped on the burnt side, and every symptom of separation had taken place. At 10 o'clock Sunday, we dressed it with your Indian Herb Ointment, and in a few hours the pulse returned to its natural position and continued to improve. This is the 8th day since we commenced to use your Ointment, and it is healing fast and doing well; so I would recommend all who have children to keep a box of this invaluable Ointment on hand for immediate use.

Yours truly,
JAMES W. BOYER.

Female Department.

The Principal has made arrangements for the Establishment of a Female Department in the School.—In it will be employed a competent female assistant, whose attention will be particularly directed to the primary, and to Music, Drawing, and the other branches usually taught in a Young Ladies' Seminary. The Principal will have control and superintendance of this department, and the members of it will have the full advantage of participating in the study of any and every branch taught in the School, including the Latin, Greek and French Languages; and an opportunity will thus be given to those desiring to qualify themselves for teachers in Parish and other Schools.

Having removed to a large and airy building, the Principal is now prepared to offer convenient opportunities for boarding to a few additional young men who may be desirous of preparing themselves to attend the University or Training School, or of fitting themselves for mercantile or other pursuits.

Any further information desired can be obtained from the undersigned,

JAMES McCOY, Principal.

Threshing Machines!

WE are now manufacturing at our shop, in Woodstock, a large number of the

Most Approved Pattern

OF

THRESHING MACHINES.

We made a number of these Machines last year and from the testimonials received from good judges feel confident that our Machines this year will be su perior to any ever offered in this market before.

We have made some valuable improvements in these Machines, which make them SUPERIOR to any imported Machines.

Parties wishing to purchase, are invited to call and see for *themselves*. All Orders by mail promptly attended to.

We exhibited our Machines at the Carleton County Fair last fall, and received a premium af forty dollars, and the following resolution.

Resolved,—That the Threshing Machine manufactured and exhibited by Messrs. Small & Fisher Bros., at the annual show of the Carleton County Agricultural Society, in Oct., 1868, meets our entire approval, and we have great pleasure in recommending it to the Public as a good and efficient Machine.

Unanimously passed by the members of the Society, at a meeting held on the 8th Oct., 1868.
