Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always that it never fails through any fault or neglector its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action — remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those compla

SCOURING THE INSIDES.

Persons who take Pills for the purpose of getting "a good scouring out" are perhaps not aware that they are wearing away their intestines, irritating the Mucous Membrane, and laying the foundation for Piles, inward Ulcers, Sores, &c. Mandrake, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out (see page 666, Wood & Baches, U. S. Pharmacopia).

March & Baches, U. S. Pharmacopia.

March & Baches, U. S. Pharmacop were compelled to use Catheters to secure a discharge of water, have by the use of six bottles been completely cured, and by one teaspoonful, three times per day, enjoyed the felicity of passing their water naturally. Mandrake is inferior to the same drastic lian" is on the label of each bottle, and on the front of the label R. R. R. RADWAY'S RENOVATING RESOLVENT. Price one dollar per bottle, six bottles principle, in the officinal aloetic pill of the dispensatory; so there is nothing new in this agent, although its principal advocate for five dollars.
