The next morning a similar billet lay on the same spot. The first person who read it took down the address in his pocket-book and replaced the paper. Next came a young couple who had not long been married, and picked up the billet. Julia, who expected in about three monthe to become for the first time, a mother, said to her busband, " Let us go, my dear; what we can offer is little to be sure ; but in many cases a little may save the unfortunate from despair-come, let us go., They accordingly went After they had found the specified number in the Rue Saintage, they learned that the house was inhabited by an old physician who had retired from practice, and was thought to be rich and had only one daughter, distinguished for understanding and talents. They asended bandsome stair case and were ushered into an apartment on the first floor, which was furnished not magnificently but with great taste. "I am no stranger to distress," said she; "before me she would have no occasion to blush." Eugenie, to gratify her in this particular, observed that misfortune had made her protege so shy

and mistrustful that it was extremely difficult o gain her confidence. " Has she any children!' asked Julia. "Three; and her husband, whose labors rocured a scanty subsistence for this family is just dead, after a long and painful illness. "Good God! what a melancholy situation

However, permit me to send you a packet of little articles for the children, for I cannot suppose that this family, protected as it is by you, can be in want of the absolute necessaries of life." Eugenie cordialy thanked her in the name of the unknown

lady, promised to take care of her presents, and noted down Julia's name and address. No sooner had Julia and her husband retired than the same object brought a young man to

"I beg your pardon, madam," said he to "I am that person."

"Sir," replied Eugene, "there are cases in which money cannot afford relief. There are other ways in which the interference of the benevolent may prove infinitely more serviceable to the unfortunate."

"Of what nature is the interference that your friend stands in need of? Speak out.— On your recommendation I will cheerfully undertake whatever lies in my power." "Then excuse a rude question, on account of the motives which prompts it. Are your connections such that you can obtain access to

"ECUMENICAL.—The exact meaning of this
word has recently become the subject of dispute.
The general idea prevails that ecumenical simply
means "general." The word, however, is derived from the Greek noun, oikoumene, meaning
this "inhabited world," which was used by the
ancient Helenes to designate their portion of the
art without any appearance of anger.
