miser, is such as is frequently met with in fiction, for preserving the hair. Faded or gray hair is soon restored ago a commission merchant in New York, and to at original color with the gloss and freshness of youth.

The story of Lyman Allen, the Jersey City

Thin hair is thickened, falling hair checked, and baldold man lived alone in one of the meanest attic ness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed. or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which maky some preparations dangerous and injurious to the hair, the Vigor can without having enjoyed the large wealth which only benefit but not harm it. If wanted
