tic, purifying and cleansing putrid flesh, and preventing degeneration or mortification of the unsound parts. To all cores and Ulcers the Sarsaparillian should be applied as a wash, it removes all effensive oders, and disinfects the putrid and virulent discharges from poisoning or irritating the surrounding parts. It is called RENOVATING, because it renovates, cleanses, strengthens and repairs the weak and deprayed body, and expels all corrupt humors from the system. The name of this remedial agent illustrates its properties.
