Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color. A dressing which

is at once agreeable. healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and bald-

ness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS,

Mother, thou art sleeping sweetly, Undisturbed by grief or pain; Done with earthly things completely, We shall never meet again, Till the resurrection morning, When the sleeping Saints arise, Robed in heavenly adorning, In the raiment of the skies.

Humbly we would stoop, and kiss the Hand, that doeth all things well; To Himself God hath thee taken, From a world defiled by sin, Though not yet by God forsaken Since His jewels dwell therein. Many times, careworn and weary, We've thee seen upon the road, With a countenance quite cheery, Trav'ling to the house of God,

How much, mother, here we miss thee,

Words are all too weak to tell,

Where we've heard thee speak of Jesus, Him who once for sinners died, That he might from hell relieve us, God's dear son the crucified. But the warfare now is ended, Thy sweet voice we'll hear no more, Death thy labors hath suspended, With the cross thou daily bore, With delight for him who called thee, From the vanities of earth, And around with favor walled thee,

Gave thy soul a second birth. Here on earth no more we'll greet thee-Never meet thy cheerful nod, But we hope again to meet thee In the Paradise of God; Where no death, disease or dying, From us can our loved ones tear; Sorrow, anguish, pain, and crying, Ne'er gain admittance there. There the Saints shall live forever. God will them immortalize.

And they'll drink from life's pure river Purer than our starry skies; Joys, unspeakable are given; Those that love the lamb there, will Breathe the atmosphere of Heaven, And of pleasure drink their fill.
