THE GREAT REMEDY!

Which has been Favorably Known and Extensively Used in the Province of New Brunswick and Vicinity

FOR A NUMBER OF YEARS,

Dr. Wilson's

Pulmonary Cherry Balsam.

The Best, Cheapest, and most effectual remedy for Coughs, Colds, &c., the World has ever produced, **PURELY VEGETABLE**, contains no Minerals or other Deleterious Drugs.

The PULMONARY CHERRY BALSAM is warranted, if faithfully used according to directions, to cure or relieve in all cases Coughs, Colds, Croup, Whooping Cough, Asthma, and all affections of the Throat and Lungs.

Dr. WILSON'S BALSAM is a purely Vegetable expectorant, prepared with great care and scientific skill, from a combination of the best remedies the Vegetable Kingdom affords.

It relieves the muscles and assists the skin to perform the duties of regulating the heat of the system, and in gently throwing off the waste substance from the surface of the body.

It loosens the phlegm, induces free expectoration, and will be found **VERY AGREEABLE TO THE TASTE.** It is not a violent remedy, but emollient, soothing, searching, and effective; can be taken by the oldest person or youngest child.

If you have a cold, if ever so slight, do not fail to give the Balsam a trial, as the very low price at which it is sold brings it within the reach of every one, that they may always keep it convenient for use. The timely use of a small bottle will prove it to be worth one hundred times its cost.

Sold by all Druggists and Country Store Keepers.
