SCHOOL DAYS

Would hang its head when the dew came down;

I was an old brown house in a quiet dell. A tairy spot, and we loved it well, A shady nook with a murmuring stream, Where life passed on in a pleasant dream. The little daisy with golden crown,

But the zephyrs kissed it at early day, And the shining jewels passed away. The merry band came up the lanc, "It's almost nine," was the sweet refrain; With pattering steps they trudged along,

Their voices mingled in childish song.

possible rates. Patronage respectfully solicited and Oh, life was happy! in noisy glee, We sailed our ships, ah! what cared we, As we pushed then off from the pebbly shore, If they floated far or returned no more. Oh, joyous hearts! we saw not the gleam, Of future life on that tiny stream; Oft have I thought when parting came, How our ships went down on that shining

Editorial Correspondence.

Ottawa, June 15, 1869. By the terms of a dispatch from Earl Granville, dated April 14th, it appears that it is the intention of the Government to withdraw all the Troops, &., from the Dominion, except a contingent of some 2,000 to be left in Nova Scotia, Halifax being recognized as an Imperial station. Temporarily 4,000 men will remain in the other three Provinces. The Minister thinks there is no further danger to be apprehended from the dullness being occasioned by several concurring Fenians of the United States. The Royal Ca-
