SCOURING THE INSIDES.

Persons who take Pills for the purpose of getting "a good scouring out" are perhaps not aware that they are wearing away their intestines, irritating the Mucous Membrane, and laying the foundation for Piles, inward Ulcers, Sores, &c. Mandrake, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out (see page 666, Wood & Baches, U. S. Pharmacopia). Mandrake, as a constituent of a purgative pill, for general or continued use is hurtful, and its inveneral or continued use is hurtful, and its inneral or continued use is hurtful, and its introduction into a pill secures no new principle.
