For restoring Gray Hair to its natural Vitality and Color.

is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

A dressing which

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

Farm For Sale!

THE undersigned offers for sale the Valuable Farm on which he lives, in Lower Canterbury, on the River St. John, western side, about half a mile be-low the Shogomock Mills, containing 350 acres, more or less. The land is of the most valuable description, fertile and easily worked-about 50 acres of it clearfertile and easily worked—about 50 acres of it cleared, 40 acres of which is stumped and stoned. There is upon the farm a good dwelling house, with barns and out-buildings complete and in good repair. An excellent and never failing market for the produce is afforded, in the vicinity, owing to its close proximity to large milling establishments. He will also dispose of part of two Island lots, with a good barn thereon, situate on Half Way Island, and 100 acres of wild land in Bloomfield. The above property will be disposed of on reasonable terms, and payments made easy. For further particulars apply, on the premises, to

E. W. HARTLEY.
