# THE GREAT ENGLISH REMEDY!

Truth Must Prevail!

## CLARK'S DERBY CONDITION POWDERS!

1. This is the only **ENGLISH CONDITION POWDER** in the Market. For the purpose for  
which it was designed, it has never been equalled—  
The receipt for its preparation was the most success-  
ful achievement of one of England's most eminent  
Veterinary Surgeons. It was used by him with un-  
paralleled success, through a long career of veterinary  
practice. The London Farriers say it is the only  
Condition Powder to be relied upon. When given to  
horses, it produces an almost magical effect, increas-  
ing the appetite, producing a healthy condition of  
the digestive organs, purifying the blood, curing the  
renal circulation, and imparting a renewed and vigor-  
ous constitution; all of which is speedily indicated by  
the peculiar glossiness of his coat, and the activity  
and sprightliness of his motion. No animal can be  
in a healthy condition if his coat is rough and staring,  
and his motion feeble.

2. The Derby Condition Powder will be found a  
perfect Tonic and Restorer after an attack of any  
disease, such as Catarrh, Horse-cold, &c.  
3. They are equally beneficial to Cattle, Sheep and  
Pigs, and can never do harm.  
4. Farmers who are fattening stock should always  
use them; their use keeps the animal healthy, and  
enables them to take on flesh much faster. Look for  
the signature of  
J. BRACY CLARK, LONDON,  
Professor of Anatomy in the Royal Veterinary College,  
Great Britain.

J. W. Bracy, Fredericton, N. B., is my only  
Agent in the Dominion, to whom address all  
orders.  
Sold by every Druggist, and at every Country Store  
in the Province.
