A Boon to the Sick !
DR. WILSON'S
Family Antibilious Pills !

THESE PILLS consist of a careful and peculiar admixture of the best and mildest vegetable cathartic, combined with the purest tonic extracts. This will be found a most efficacious remedy for derangement of the digestive organs, and for obstructions and torpid action of the liver and bowels, which produce Indigestion, and the several varieties of Bilious and Liver Complaints, attended by more or less of the following symptoms:—Frequent Sickness, Acidity or Heartburn, Giddiness or Headache, Drowsiness, and Dimness of Sight, Spasms, and Flatulent Distentions, an uncomfortable sensation experienced at the Stomach soon after eating, with a feeling or weight of oppression, tenderness or pain in the region of the Liver, sometimes extending to the right shoulder, with a hard dry cough and disturbed sleep, a yellow tinge of the skin and eyes is often perceptible, the heart's action, is at times disturbed and palsation felt in various parts of the body, with a singing noise in the ears, and a sense of fulness and weight over the eyes and back of the head, the tongue appears covered with a white or yellowish fur, the taste becomes vitiated, the appetite impaired, and the breathing oppressed, the bowels are for the most part inactive, and there is much languor and depression of spirits.

From the above it is shown that Dr. Wilson's Family Antibilious Pills not only enter the stomach, become united with the blood, for they find to every part of the body, which is the blood, become perfectly healty; consequently, all sickness and pains driven from the system, for they cannot remain when the body becomes so pure and clean.

By chemically and judicially proportioning these medicines contained in Dr. Wilson's Pills, so greatly are their cathartic and tonic virtues increased that they will be found a certain and radical cure for all the catalogue of diseases above enumerated, and in every case these Pills will be found decidedly preferable over all others.

Sold by all Druggists and Country Merchants throughout the Dominion.

The Principal will have control and superintendance of this department, and the members of it will have the full advantage of participating in the study of any and every branch taught in the School, including the Latin, Greek and French Languages; and an opportunity will thus be given to those desiring to qualify themselves for teachers in Parish and other Schools.
