Miscellaneous.

A small darkey of Montgomery, Ala., sent out to pick berries the other day, buttoned himself up closely in the remnant of a Yankee overcoat. When he returned, his mother observed and accosted him: "What you wear dat tick coat for, sich a hot day as dis?" "Cause, mammy," replied the loyal boy, "de Yankees does it." "You're a little fool," said the indignant mamma; "do you s'pose de Yankees got as much sense as we 'Mericans has?"

☞ A widower having taken another wife, has, nevertheless, always paying some panegyric to the memory of his late spouse in the presence of the living one, who one day added, with great feeling, "Believe me, my dear nobody regrets her more than I do."

☞ A gentleman in noticing some instances in the education of children, said he knew of a woman who used to tie her boy to the bedpost on sunday, while she went to church, and made him learn the hymn beginning, "Thine earthly Sabbaths, Lord, we love."

☞ Be careful of your health, girls. Don't mind being called "old fogy" because you wrap yourselves up well and never venture out in thin shoes. Better be an old fogy than a young corpse.

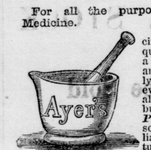
Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have used it, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* promptly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Langtior** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

The above diagram shows the course of substances taken into the stomach, through the alimentary canal, and here we may remark the importance of every one desiring to enjoy perfect health, to secure perfect digestion. This desideratum will be accomplished by taking one of Radway's Pills every morning about ten o'clock, as a Dinner Pill. Bye to doinz. Dyspepsia. Headache, Foul Stomach, Biliousness will be avoided, and the food that is eaten contributes its nourishing properties for the support of the natural waste and decay of the body.

Imperfect Digestion frequently occurs when the bowels are regular, the constituents of solids that are not absorbed in circulation, from imperfect digestion are frequently directed to the kidneys for its escape; in such cases serious damage is done to the kidneys, as the urine secreted is imperfectly digested substances or food, i. e., those constituents not secreted by the liver and digestive organs, become a foreign secretion in the form of Albumen, Sugar, Urea-Uric Acid, Lithic Acid, causing Bright's Disease, Diabeates, Dropsy, Renal Diseases of the Kidneys, Congestion, Degeneration, Ulceration, Gravel, Bloody Urine, &c. To prevent those serious and often fatal difficulties, take one of Radway's Pills every morning about ten o'clock, and in a few hours before dinner.

Imperfect Digestion may be known by a variable appetite craving for food, great thirst, dryness in the mouth, dry skin, hot fretful breath, restlessness, swellings in the abdomen, chest, legs, cold feet, frequent desire to urinate, varied colored urine, &c. Where these symptoms are present, the SARSAPARILLIAN should be taken three times per day, and the Pills one to six, as the case may require. A Great Medical Triumph.

NEW PRINCIPLES IN PURGATION !
SECURED IN
DR. RADWAY'S
Perfect Purgative Pills.

1.—A Vegetable Substitute for Calomel and Mercury.

2—Counter-Irritation, made perfect in Radway's Pills, that withdraws inflamation from Congested Blood Vessels, Nerves, Liver, Stomach, Bowels, Kidneys, and other viscera, and purging all excrementitious, corrupt humors and diseased deposits from the system.

3—In these Pills a nourishing and nutritious principle is secured, by which the blood, juices and fluids of the system, become invested with the vigor of life—they are the only purgative medicine—that strengthens during the process of purgation. These Pills act as a solvent and tonic to the gastric juice, enabling this solvent of the system to properly dissolve the substances taken into the stomach, and aid digestion, and the convertion of said substances into the proper constituents to make pure, rich and wholesome blood, the deficiency of which is the cause of Dyspepsia, Indigestion. Diabeates and many urinary difficulties, etc.

4.—They regulate the organs of the system; restoring functional harmony and securing the secretion of the proper constituents of each organ by their action the Liver secreting its allotted proportion of bile—the Lungs, Carbon—the Skin, Sweat—the Kidneys, Urine, &c.

5—The aged, and persons subject to Constipation, Costiveness, Paralysis and Weakness of the Bowels, Kidneys and Bladder, &c., that have to resort to injections; by taking two or three of Radway's Pills, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the bowels, Liver, Kidneys, &c., that may be worn or depleted by disease or age.

6.—In these Pills, a want that science has ever failed to supply is secured, and that is a thorough purgative that can be given in safety in cases of eruptive fevers, as Small Pox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers—when the Mucous Membrane becomes ulcerated—now these Pills purge thoroughly, and heal ulcerated and excoriated parts.

7—These Pills are made from extracts—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills. Two of Radway's Pills will act quicker than half a dozen of the common drastic pills in general use.

ELEGANTLY COATED—NO TASTE OR SMELL.

SCOURING THE INSIDES.

Persons who take Pills for the purpose of getting "a good scouring out" are perhaps not aware that they are wearing away their intestines, irritating the Mucous Membrane, and laying the foundation for Piles, inward Ulcers, Sores, &c. MANDRAKE, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out (see page 666, Wood & Baches, U. S. Pharmacopia). Mandrake, as a constituent of a purgative pill, or general or continued use is hurtful, and its introduction into a pill secures no new principle. Mandrake is inferior to the same drastic principle, in the officinal aloetic pill of the dispensatory; so there is nothing new in this agent, although its principal advocate presents it to the public, under Dr. Radway's original discovery, of a vegetable substitute for Mercury.

FOR BILIOUS DISEASES.

Not one in a thousand would suffer from Bilious complaints if Dr. Radway's treatment is observed, and all who may be seized with Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, Fever and Ague, Remittant and Intermittant Fever. In fact all animal and vegetable fevers are prevented and cured by RADWAY'S PILLS, assisted when required by the READY RELIEF.

TREATMENT.

As a prevention, when either of these maladies prevail, take one pill per day, this will regulate the liver, and supply any deficency of the healthy condition of the gastric juice, the natural solvent of the system, and secure healty digestion; Ten to twenty drops of Ready Relief, in water as a drink, this will secure invigoration and strength where there is weakness, lassitude and languor, and neutralize the poisonous acids, generated from the gases of indigested food, irritant and morbid humors, of the stomach, &c., and if attacked in any form of fevers, take the pills in large doses 4 to 6, every six hours, a few doses will ensure a cure. I have cured the worst forms of Yellow, Typhoid, Marsh, Ship, and Isthmus Fevers, in the West Indies, South America, and my treatment with the Ready Relief, and Pills, have met with the same success in the East Indies,—these fevers are all of one family, and will more readily yield in their milder forms as they exist in temperate climates; than in their more fatal types of the torrid zones.

ONE PILL,

Taken when symptoms of dizziness, fullness, or pain in the head, nausea, sour stomach, indigestion, costiveness, pain after eating, sleeplessness, bad dreams, &c., &c., appear, will soon cure this difficulty. Radway's Pills are unlike all other pills. Each pill contains 3 grains of the active curative principles of extracts of the rarest products of the vegetable Kingdom,—of ingredients the same of them never before used as medicine, and to be found only in these pills. In purchasing Pills, see that one of the labels is marked R. R. R. No. 3, and the fine-steel signature of Radway & Co. printed in Red Ink, and that Radway's Regulators on the other label, there are 20 pills in each box, covered with sweet gum. Price 25 cts. per box Sold by Druggists and Country Merchants.
