Iron in the Blood NATURE'S OWN VITALIZER.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood, as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving

nothing for disease to feed upon. This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Con-

Certificate of A. A. HAYES, M. D., of Boston, Assayer to the State of Massachusetts.

"It is well known that the medicinal effects of Protoxide of Iron are lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron without further oxidation has been deemed impossible. In the PERUVIAN SYRUP this desirable point is attained by COMBIN-ATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates, and tartrates of the Materia Medica. It is also eminently adapted to take the place of any Protoxide of Iron which physicians have used in Scurvy, or scorbutic attacks; and, to meet such cases, the Syrup should be found in the medicine-chest of

From W. R. CHISHOLM, M. D., of New Bedford, Mass. "I have employed the PERUVIAN SYRUP successfully in cases of Dyspepsia, Chronic Diarr-

HŒA, NERVOUS DEBILITY, NEURALGIA, ERYSIPELAS, BOILS, and DISEASES OF THE SKIN; also, CHLOROSIS, LEUCORRHEA, PROLAPSUS UTERI, and in FEMALE COMPLAINTS generally. As an alterative tonic the Syrup ought to be used by clergymen, editors, cashiers, clerks, lawyers, and others who use their brains iers, clerks, lawyers, and others who use their brains more than their muscles; as well as operatives, printers, tailors, shoemakers, seamstresses, and all those whose occupation confines them in ill-venti-lated and over-heated rooms, who are liable to suffer more or less from nervous debility.' From the venerable Archdeacon Scott, D. D.

DUNHAM, C. E. * * * "I am an inveterate Dyspeptic of more than twenty-five years standing."

* * "I have been so wonderfully benefitted in the three short weeks during which I have used the Pernvian Syrup, that I can scarcely persuade myself of the reality.—People who have known me are astonished at the change."

"I am widely known, and can but recommend to others that which has done so much for me."

From a distinguished Jurist. "I have tried the Pernvian Syrup, and the result fully sustains your prediction. It has made a new man of me, infused into my system new vigor and energy : I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five

From the Rev. J. C. Malory, Pastor of the Baplist Church in Sarona, N. Y. "I take great satisfaction in commending the PERUVIAN SYRUP to the notice of Dyspeptics, as being a reliable remedy for that distressing com-plaint, while as a general Tonic I think it has no

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial. A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, besides auch other valuable and interesting matter, will be ent free to any one sending us their name and See that each bottle has PERUVIAN SYRUP blown in the glass, J. Sore Eyes, Strumous discharges from the Ears, Eraptive diseases of the Eyes, Nove. Mouth, and the worst forms of Shia diseases. Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Eryslpias, Acne, Black Spots, Worms in the Flesh. Tumors. Cancers in the Womb, and all weakening and painful discharges. Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparillian kesolvent, and a few days use will prove to any person using it for either of these forms of disease, its potent power to cure them.

Not only does the Sarsaparillian desolvent excel all known remedial agents, in the cure of Caronic, Scrofalous Constitutional, Skin and Syphiloid discases but it is the only positive remedy for Kidney, Bladder Urlnary, and Womb diseases, Grayel. Diabetes Dropsy, Stoppage of Water, Incontinence of Urine, Bright's disease. Albuminuria, and in all cases where there are Brick dust deposits, or the water is thick, cloudy, mixed with sub-tances like the white of an egg, or threads like white silk, or there is a morbid dark, bitions appearance, and white bone dust deposits, and where there is a pricking, burning sensation when passing water, and pain in the Small of the Back, and along the Loins. In all these conditions Radway's Regulating Pilis per day, will soon make a complete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color.

THE WASTES OF THE BODY
are supplied with new, healthy, and vigorous blood, that
furnishes sound structure. Hence all suffering from
Weakening Discharges, either Male or Female,
of the Womb, Uterus, or other organs, whether Leucorrhæa, Sperm, or Eruptive discharges, of every kind, or
from violence of "Self-abuse," from the Genital Glands,
or Venercal discharges, or ulcers, or sores, through the
reparative process of RADWAY'S SARSAPARILLIAN, are arrested, and the ruptured organs healed.

THE TRUE THEORY OF CURE.

RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat, and structure-making constituents with Tissue making, Flesh making, Heat or Caloric and Fat making elements. All of its constituents are nourishing, purifying, and strengthening. It Repairs, Hea's, Resolves, and drives out of the body the products of Decay and Corruption. CONSUMPTION, WHITE SWELLING, DROPSY, SYPHILIS, CANCERS, TUMORS, &c., are all of a scrofulous diathesis, and as such, are within the curative range of the SARSAPARILLIAN RESOLVENT! 1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic inflanation. That those deposits take place when the blood is poor, weak, watery, and incapable of

when the blood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the presence of some virus or poisen in the blood, as Mercury, Calomel, Carposive Sublimate, which is the Corrosive Chloride of Mercury or other agents, given in medicines and which enter largely in the common advortised Sarsaparillas, NOT ABSORBED OR CHANGED FROM THEIR NATURAL CONDITION. 2. That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted. 3. That the dying body cannot be sustained on any treatment of medication that exhausts the system, or fails to nourish the blood, the only medium through which the vi'al forces are preserved, and on which the growth

the vi'al forces are preserved, and on which the growth of the body depends.

4. That Itadway's Sarsaparillian Resolvent supplies a want hever before possessed or known to exist in medicine, that this new found principle in Chemical science, which has been brought to such a perfect system of cure is exhibited as follows:

1. Ita great power in assimilating the food in its first stage of distillation in the process of digestion, as ohyme and chyle with the nourishing elements of blood, seperating from these liquids refuse and inert qualities before they are taken up by the lactecals and are formed into blood. Here we see that by its wonderful power it charges the system with the very essence of power it charges the system with the very essence or principle that forms the vital powers of the body, and its themical action on the blood in its primitive and complete condition, separates every atom of refuse material or element, out of which the virus of disease is formed

2. That, the blood thus prepared, and supplied with these nourishing properties becomes strong, rich and healthy, and holds in solution its proper constituents, through the Sarsaparillian Resolvent, and through the Sarsaparillian Resolvent, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the Sarsaparillian Resolvent exerts on the blood and puices of the system, that no virulent humors or poisons will exist by which deposits are made.

3. The rapidity which the Sarsaparillian enters the currents and communicates its curative powers. the circulation, and communicates its curative powers through the Blood, Sweat, Urine, and other fluids, secures the constituent secretions of each respective organ, establishing functional harmony throughout the system; through its action and power over the Secretions, the Liver secretes its natural or proper allotment of he; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only establishes health in the sick body, but preserves the system

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the sarsaparil-lian itesolvent is unlim ted, and that every disease that is of a Chronic, Scrofulous or Organic Diathesis, is, proposly within its special range. THE GREAT SECRET OF CURE in this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and depravity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT.

If the constituent of Oxygen was exhausted from the atmospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it deposits its tubercles and diseased humors in the body, and the elements of decay and decomposition supervene. Radway's Sarsaparillian Resolvent is to the blood and general system what Oxygen is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural con-

take place, for as the Sarsaparillian increases the strength and purity of the blood, all deposits are diminished, and where there are tubercles formed in the lungs, the further deposits are arrested and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung cicatrized, and the consumptive, scrofulous subject receives good, if not sound, health BLIND LADY CURED. DAILY CHANGES

Mr. GEORGE MORTIMER, a commercial traveller, in Canada West, writes us, under date of April 17, 1869, from Woodstock: from Woodstock:

"The SARSAPARILLIAN RESOLVENT is in great demand, and working wonders. Mr. Hoag, of Straffordsville, merchant, told me of a ease where a woman WAS BLIND, but, by the use of the SARSAPARILLIAN RE-SOLVENT, can now see to read She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded "Messrs. White & Scott, principal druggists here, inform me of a person of note—high social standing—who for years was afflicted with DYSPEPSIA and GRAVEL, who has been entirely cured by RADWAY'S SARSA-PARILL(AN RESOLVENT." Mr. Hoas reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a few bottles of SARSAPARILLIAN RESOLVENT. "Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Threatened Consumption.
"In every town I visit I hear of wonderful cures by the SARSAPARILLIAN RESOLVENT. For every kind of Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured; so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Moeth, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take t become strong, sound, and healthy.
