They are entirely composed of extracts from rare and wonderful plants, the irtues of which are well known to eminent chemists,

but are altogether unknown to the ignorant pretenders Their first operation is to loosen foom the coats of the omach and bowels, the various impurities and crudities constantly settling around them, and to remove the ardened faces which collect in the convolutions of the small intestines. In doing this, unlike other medicines, they do not reduce the system to debility, but produce a delightful sense of renovation and vigor, often before their direct operation has been completed. This is a peculiarity which they possess in an eminent degree, and ence it is that they are taken by the weakest and most xhausted patients with almost immediate benefit, when other medicines would aggravate the debility. Other

medicines only partially cleanse the small intestines, and leave such collected masses behind as to produce costiveness, with all its train of evils, or sudden Diarrhoa, The second effect of Dr. Wilson's Pills is to cleanse and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs, the blood, which takes a red color from the agency of the liver and

RADWAY'S

Beautiful Complexion,

Sarsaparillian Resolvent HAS MADE THE MOST ASTONISHING CURES. SO QUICK, SO RAPID ARE THE CHANGES, THE BODY UNDERGOES UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE THAT Every Day an Increase in Flesh and Weight

is Seen and Felt. Scrofula, Consumption, Syphilis, uncured and badly treated Venereal. in its many forms, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands, and other parts of the system, Sore Eyes, Strumous discharges from the Ears, Eruptive diseases of the Eyes, Nose, Mouth, and the worst forms of Skin dis-Mouth, and the worst forms of Skin dis-Mouth, and the worst forms of Skin discases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night weakening and painful discharges, Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparilian Resolvent, and a few days use will prove to any

vent, and a few days use will prove to any person using it for either of these forms of disease, its potent power to cure them.

Not only does the Sarsaparillian Resolvent
excel all known remedial agents, in the cure of Chronic,
Scrofulous Constitutional, Skin and Syphiloid diseases but it is the only positive remedy for Kidney, Bladder Urinary, and Womb diseases, Gravel. Diabetes Dropsy, Stoppage of Water, Incon-tinence of Urine, Bright's disease. Album-inuria, and in all cases where there are inuria, and in all cases where there are Brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid dark, bilious appearance, and white bone dust deposits, and where there is a pricking, burning sensation when passing water, and pain in the Small of the Back, and along the Loins. In all these conditions Radway's Sarsaparilall these conditions Radway's Sarsaparillian Resolvent aided by the application of

Radway's Ready Relief to the Spine and Small of the Back, and the Bowels regula-Small of the Back, and the Bowels regulated with one or two of Radway's Regulating Pills per day, will soon make a complete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber on the way color. THE WASTES OF THE BODY

are supplied with new, healthy, and vigorous blood, that
furnishes sound structure. Hence all suffering from
Weakening Discharges, either MALE or FEMALE,
of the Womb, Uterus, or other organs, whether Leucorphere Sparm or Eruptive discharges, of every kind, or rhoa, Sperm, or Eruptive discharges, of every kind, or from violence of "Self-abuse," from the Genital Glands,

or Venereal discharges, or ulcers, or sores, through the reparative process of RADWAY'S SARSAPARIL-LIAN, are arrested, and the ruptured organs healed THE TRUE THEORY OF CURE. RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat, and supplies the system, through the blood, urine, sweat, and structure-making constituents with Tissue making, Firsh making, Heat or Caloric and Fat making elements.

All of its constituents are nourishing, parifying, and strengthening. It Repairs, Hea's, Resolves, and drives out of the body the products of Decay and Corruption.

CONSUMPTION, WHITE SWELLING, TROPSY, SYPHILLS, CANCERS, THMORS, Son, are all of a SYPHILIS, CANCERS, TUMORS, &c., are all of a scrofulous diathesis, and as such, are within the curative range of the SARSAPARILLIAN RESOLVENT! 1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic Inflamation. That those deposits take place

when the blood is poor, weak, watery, and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury or other accents, given in modification. cury, Calomel, Corrosive Submate, which is the Corrosive Chloride of Mercury or other agents, given in medicines and which enter largely in the common advertised Sarsaparillas, NOT ABSORBED OR CHANGED FROM THEIR NATURAL CONDITION. 2. That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted. 3. That the dying body cannot be sustained on any

treatment of medication that exhausts the system, or fails to nourish the blood, the only medium through which the ri'al forces are preserved, and on which the growth of the body depends.
4. That Radway's Sarsaparillian Resof vent supplies a want never before pesses ed or known to exi-t in medicine, that this new found principle in Chemical science, which has been brought to such a per-Chemical science, which has been brought to such a perfect system of cure is exhibited as follows:

1. Its great power in assimilating the food in its first stage of distillation in the process of digestion, as chyme and chyle with the nourishing elements of blood, separating from these liquids refuse and inert qualities before they are taken up by the lactecals and are formed into blood. Here we see that by its wonderful and into blood. Here we see that by its wonderful and into bloods.

formed into blood. Here we see that by its wonderful power it charges the system with the very essence or principle that forms the vital powers of the body, and its evenical action on the blood in its primitive and complete condition, separates every atom of refuse material or expert, out of which the virus of disease is formed.

2. That, the blood thus prepared, and supplied with these nourishing properties becomes strong, rich and healthy, and holds in solution its proper constituents, through the Sarsaparillian Resolvent, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the Sarsaparillian Resolvent exerts on the blood and patients of the system, that no virulent humors or points will exist by which deposits are made. sons will exist by which deposits are made.

3. The rapidity which the Sarsaparillian enters the circulation, and communicates its curative powers through the Blood, Sweat, Urine, and other fluids, se-

through the Blood, Sweat, Urine, and other fluids, secures the constituent secretions of each respective organ, establishing functional harmony throughout the system; through its action and power over the Secretions, the Liver secretes its natural or proper allotment of bile; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only establishes health in the sick body, but preserves the system in health.

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the Sarsaparillian Resolvent is unlimited, and that every disease that is of a Chronic, Scrofulous or Organic Diathesis, is, properly within its special range.

THE GREAT SECRET OF CURE this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and depravity, it is deficient of, together with the combination of the several incredients that form the SARSAPARILLIAN RESOL-If the constituent of Oxygen was exhausted from the atmospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it

deposits its tubercles and diseased humors in the body, and the elements of decay and decomposition supervene. Radway's Sarsaparillian Resolvent is to the blood and general system what Oxygen is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural con-

DAILY CHANGES
take place, for as the Sarsaparillian increases the strength
and purity of the blood, all deposits are diminished, and
where there are tubercles formed in the lungs, the further deposits are arrested, and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung cicatrized, and the consumptive, scrofulous subject receives good, if not sound,

Gravel, Dyspepsia, Sore Legs, Bleeding from the Lungs, Cured.
Mr. George Mortimer, a commercial traveller, in Canada West, writes us, under date of April 17, 1869, from Woodstock:
"The SARSAPARILLIAN RESOLVENT is in great lemand, and working wonders. Mr. Hang, of Straffordsville, merchant, told me of a ease where a woman WAS BLIND, but, by the use of the SARSAPARILLIAN RESOLVENT, can now see to read. She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded as wonderful as wonderful,
"Messis. White & Scott, principal druggists here,
inform me of a person of note—high social standing—who
for years was afflicted with DYSPEPSIA and GRAVEL,
who has been entirely cured by RADWAY'S SARSAPARILLIAN RESOLVENT,"

Mr. Hoas reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a ten pottles of SARSAPARILLIAN RESOLVENT.

6 Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Three-tened Consumption. Threatened Consumption.

"In every town I visit I hear of wonderful cures by the SARSAPARILLIAN RESOLVENT. For every kind Humor, Sore, Skin Eruption, and all weakenin discharges, the people use it, and become cured; so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Mosth, all kinds of Sores, this wonderful tenrally acts so powerfully on the blood that all who take it become strong; sound, and healthy.

"GEO. G. MORTIMER,

"Commercial Traveller." RADWAY'S SARSAPARILLIAN RESOLVENT is sold at \$1 per Bottle, or 6 Bottles for \$5, by all Druggists and Medicine Dealers, and at DR. RADWAY'S Medicine Warehouse, 87 Maiden Lane, New York City.
