Its great power in assimilating the food in its first stage of distillation in the process of digestion, as chyme and chyle with the nourishing elements of blood, separating from these liquids refuse and inert qualities before they are taken up by the lactecals and are formed into blood. Here we see that by its wonderful power it charges the system with the very essence of power it charges the system with the very essence or principle that forms the vital powers of the body, and its chemical action on the blood in its primitive and com-

That, the blood thus prepared, and supplied with these nourishing properties becomes strong, rich and healthy, and holds in solution its proper constituents, through the Sarsaparillian Resolvent, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the Sarsaparillian Resolvent exerts on the blood and juices of the system, that no virulent humors or poisons will exist by which deposits are made.

3. The rapidity which the Sarsaparillian enters through the Blood, Sweat, Urine, and other fluids, se-

cures the constituent secretions of each respective organ, establishing functional harmony throughout the system; through its action and power over the Secretions, the Liver secretes its natural or proper allotment of bie; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only establishes health in the sick body, but preserves the system in health.

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the Sarsaparillian Resolvent is unlimited, and that every disease that is of a Chronic, Scrofulous or Organic Diathesis, is, properly within its special range. properly within its special range. THE GREAT SECRET OF CURE in this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and deprayity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT.

If the constituent of Oxygen was exhausted from the atmospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it deposits its tubercles and diseased humors in the body, and the elements of decay and decomposition supervene. Radway's Sarsaparillian Resolvent is to the blood and general system what Oxygen is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural con-

take place, for as the Sarsaparillian increases the strength and purity of the blood, all deposits are diminished, and where there are tubercles formed in the lungs, the further deposits are arrested, and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung cicatrized, and the consumptive, scrofulous subject receives good, if not sound,

Gravel, Dyspepsia, Sore Legs, Bleeding from the acre, more or less, being same premises mentioned in GEORGE MORTIMER, a commercial traveller, in Canada West, writes us, under date of April 17, 1869, from Woodstock: "The SARSAPARILLIAN RESOLVENT is in great demand, and working wonders. Mr. HOAG, of Straffordslle, merchant, told me of a case where a woman WAS LIND, but, by the use of the SARSAPARILLIAN RE-SOLVENT, can now see to read She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded "Messrs. White & Scott, principal druggists here, inform me of a person of note—high social standing—who for years was afflicted with DYSPEPSIA and GRAVEL, who has been entirely cured by RADWAY'S SARSA-PARILLIAN RESOLVENT." Railway Company, running North on said road forty feet; thence West fifty feet; thence South forty feet;

Mr. Hoas reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a few bottles of SARSAPARILLIAN RESOLVENT. "Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Threatened Consumption.

"In every town I visit I hear of wonderful cures by the SARSAPARILLIAN RESOLVENT. For every kind Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured; so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Mosth, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take t become strong, sound, and healthy. "GEO. G. MORTIMER,

"Commercial Traveller." RADWAY'S SARSAPARILLIAN RESOLVENT is sold at \$1 per Bottle, or 6 Bottles for \$5, by all Druggists and Medicine Dealers, and at DR. RADWAY'S Medicine Warehouse, 87 Marden Lane, New York City.
