Poetry.

A LEAF FROM LIFE.

She brought it back ; I laid it by ;

She was so strange and I so shy.

But yet we loved indifferent things-

The sprouting buds, the birds in tune

And Time stood still and wreathed

With rosy links from June to June

What peril tempt? what hardship bear

For her, what task to dare or do?

But with her-ah! she never knew

I lent my love a book one day;

'Twas little either had to say--

THE Subscriber would respectfully inform the inhabitants of Woodstock and vicinity, that he has taken Rooms over the Drug Store of William T. Baird, Esq. where he is prepared to execute all orders entrusted to him, with neatness and dispatch. JOHN WALKER, Tailor. Woodstock, Jan. 8 1870-3m-pd-2

He would likewise ask a continuance of such favors, as he is new prepared, with enlarged experience and exactly what the regulation rations of coffee greatly increased facilities to attend to the various are, but if I fill the pot half full, it can't help Everything is gained and nothing is lost by

My heart, and what was hidden there. And she, with me so cold and coy, Seemed, little maid, bereft of sense But in the crowd, all life and joy, And full of blushful impudence.

She married-well-a woman needs A mate, her life and love to share-And little cares sprang up like weeds, And played around her elbow chair. And years rolled by—but I, content,
Trimmed my one lamp and kept it bright,

Till age's touch my hair besprent With rays and gleams of silver light. And then it chanced I took the book Which she perused in days gone by And as I read, such passion shook

My soul. I needs must curse or cry. For here and there her love was writ, In old, half faded pencil signs, As if she yielded—bit by bit—

Her heart in dots and underlines. Ah! silvered fool! too late you look! I know it: let me here record This maxim: lend no girl a book

Unless you read it afterward!

Select Tale.

" SURPRISED."

The evening train was just starting for its journey out into the solitude of country wilds. when a tall, handsome man of seven or eight Having removed to a large and airy building, the and twenty, darted frantically into the depot Principal is now prepared to offer convenient oppor-tunities for baarding to a few additional young men for him self, after rather a perilous who may be desirous of preparing themselves to attend the University or Training School, or of fitting themselves for myself!" was his complement ' Just saved myself!" was his complacent remark, as he settled himself on the velvet cushions under the lamp. "Yes-exactly-just!" commented a gentle-

man who sat opposite. "I tell you Harry Kneller. I shouldn't repeat that kind of experiment very often, if I were you." "Well, you see I was in a deuce of a hurry I've been getting a little surprise for my wife

and somehow I got behind time." " A surprise, eh?" "You see," went on Mr. Kneller, confidentially leaning over toward his friend, she's exceedingly fond of fried oysters, and up in the country we never get any of that sort of thing." "So that's the secret of the tin pail, ch?"

said George Arden, laughing good-humoredly. Mr. Kneller, on going home, deposited his precious burden earefully in the corner of the porch, and walked in with a nonchalant air. "Well, Matie!" as the blue-eved woman came to meet him, and put up a rosy mouth to "Yes-and I'm so glad you came home

added largely to their stock of tools, and made great early, Harry, for Mrs. Evans is sick, and they " All right!" said Harry, good-humoredly. By all means, go, my pet!
